INNOVATED

Ideas

Ideas! Ideas! Ideas! That's what makes the students at P.H.S. tick! They brought their new INNOVATED Ideas to boast the school spirit and morality. This was shown during pep assemblies, sport events, and lunchtime activities. Each and every student showed their enthusiasm for being a Mariner.

1. Senior drillteamers, Lori Matsuda and Lori Johnson both pick unique costumes for Halloween.
2. Senioritis hits Jonas Bearbower and Brad Downing and leaves them dead stopped in their tracks.
3. Varsity football player Tom Hansen takes a break after eating lunch with his football buddies.

Changes

Many changes occurred at Pacifica. The first and biggest change was principals. Mr. Don Wise, formerly from Bolsa Grande, joined the administration and immediately improved the atmosphere at PHS. One of his changes, was improved restrooms. After years of filthy, grimy, and messy bathrooms, Pacifica students were awed by the new improved conditions at our school. Another change, was that pep assemblies became mandatory. Extended lunch was added, which helped seniors to get back to school on time.

1. First time varsity cheerleaders Keilsha Straughter and Cindy Russel show "V" signs after the victory over Kennedy.
2. Jim Hawkins with his electric guitar symbolizes the spirit of 87 at the first pep assembly.
3. On the first day of school, students managed to keep the campus clean to extend their lunch on the following Friday.
4. Celebrating her birthday, cake was brought during lunch.
5. Two injured freshmen football players were unable to finish off their season.

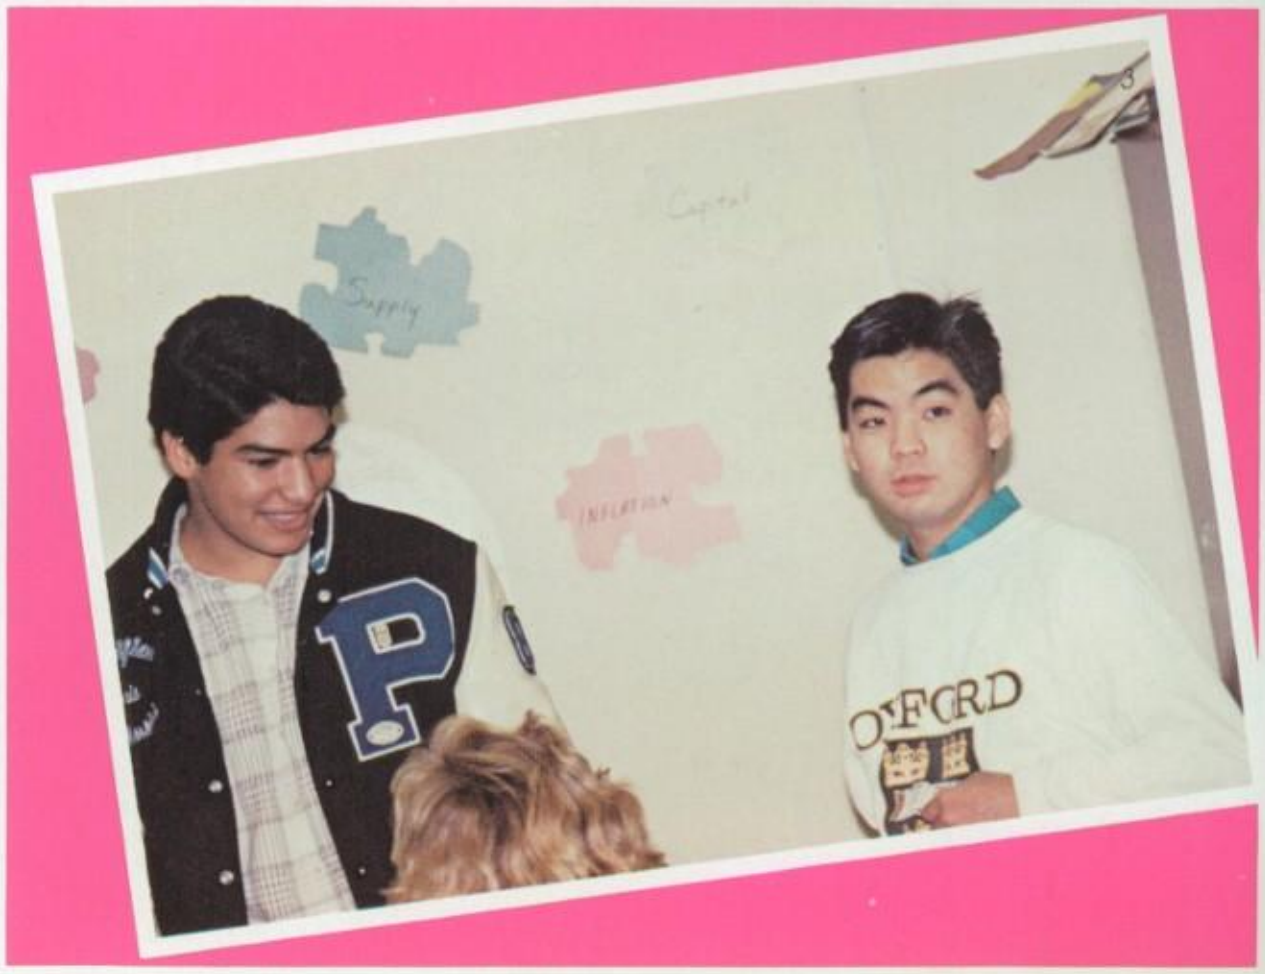
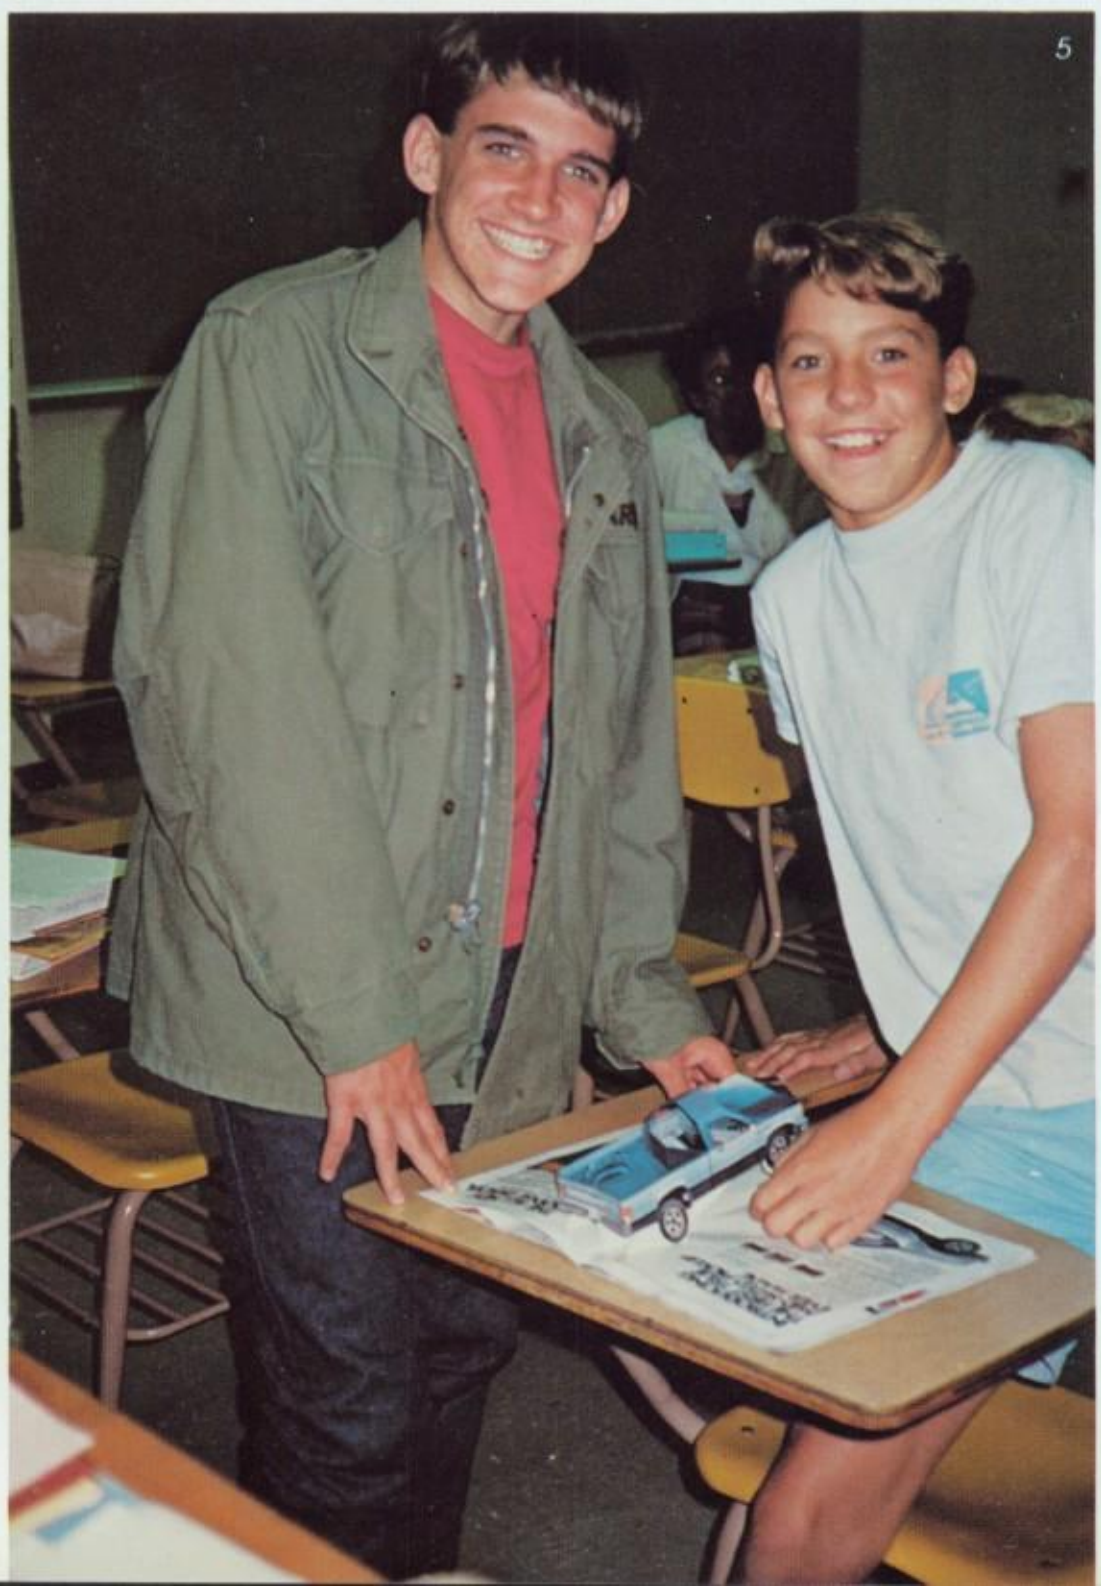
INNOVATED

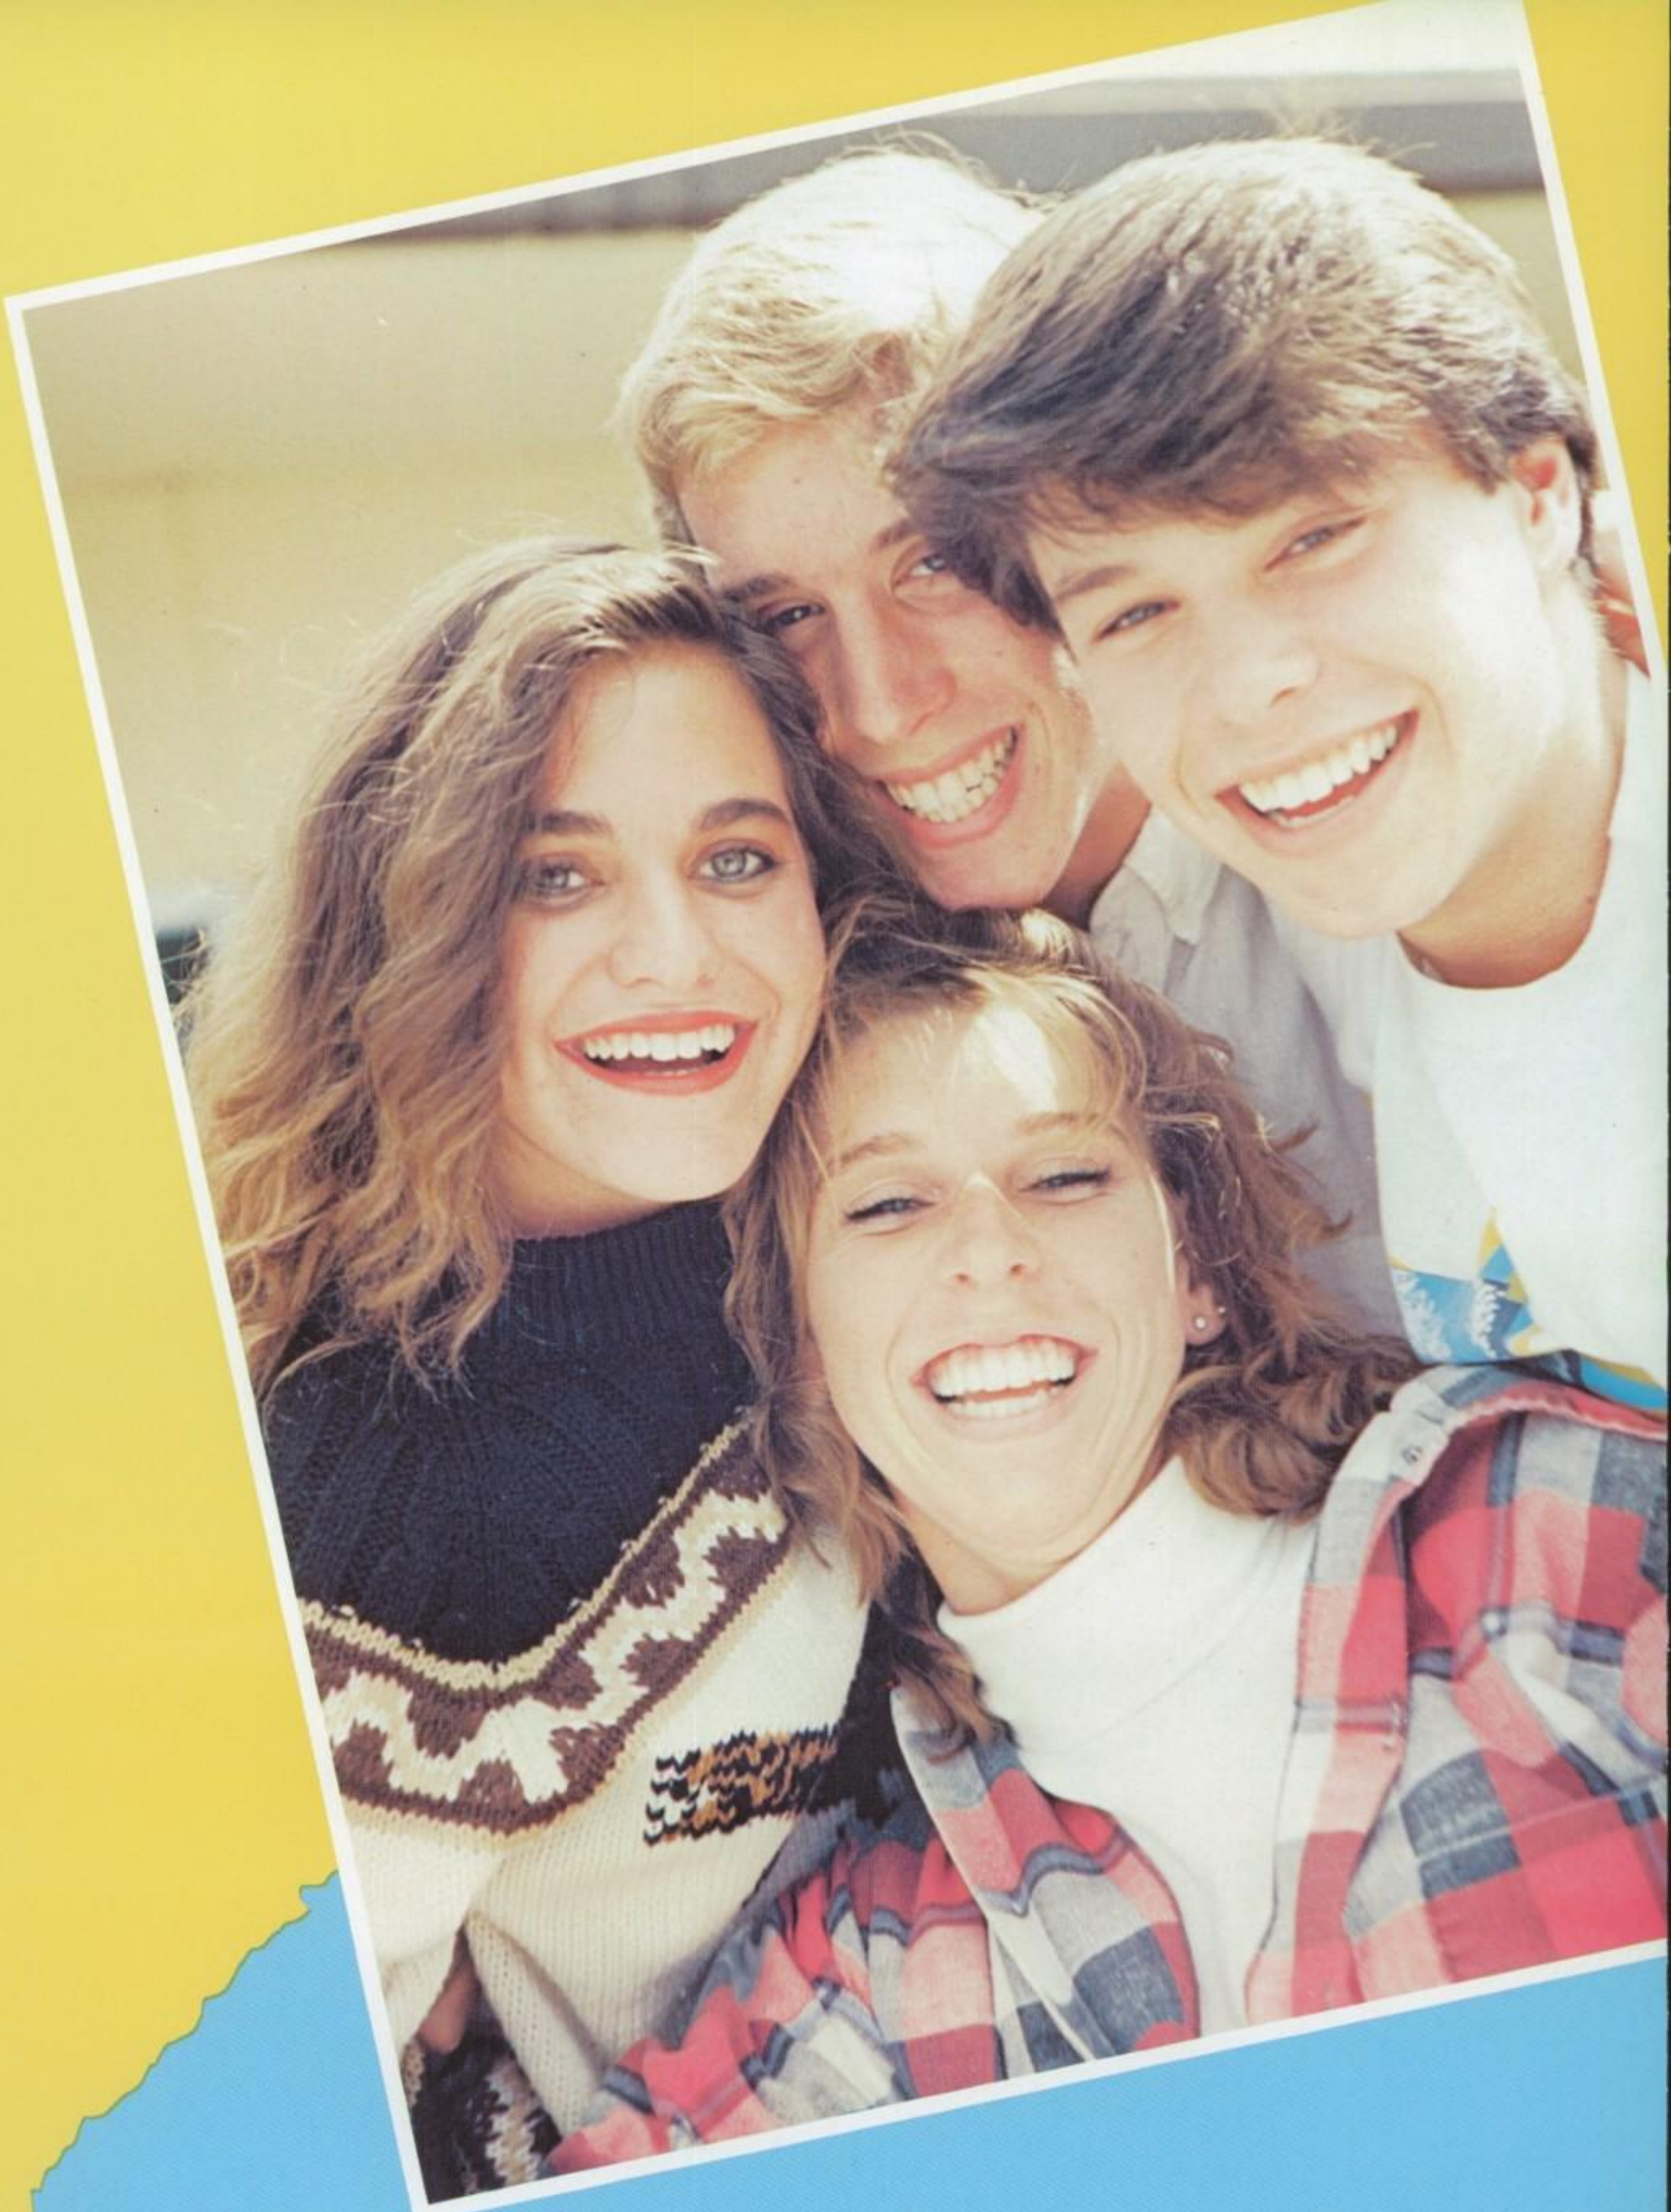
Students

With innovated student ideas, P.H.S. not only became a nicer place to attend but a more fun place to learn. Students actually became more interested in what they could do for the school. Many learned what working together can accomplish.





1. Bright and Bold Seniors, Seung Kim, Julie Miller and Judina Amaral get into the new Innovated ways.
2. Freshman student takes a break from his cafeteria lunch.
3. During fifth period "Econ" Vincent Yasaki and Chris Campos discuss the economic rise in the U.S.
4. Mike Diaz, Andy Clark and pals still feel that they should have been chosen for Mr. Spirit.
5. Magazine car pop-outs wasn't part of Mrs. Thompson's freshman English, but some students found it much more interesting than "Romeo and Juliet."



Student

Life

A Mariner's life consists of many activities. The excitement of daily events charge the atmosphere during spirit week. While Homecoming this year was quite tropical, but paradise did not quite come as our football team lost during the last minutes of the game to Esperanza. For the remainder of the year, the existence of a student's life did not consist of day to day drudgery of classrooms and homework. Rather, it was spiced with a variety of activities and productions. Among these were pep assemblies, dances, the school play, the winter formal, and other various activities.

The Wild Life...

Who could forget these guys? The Mr. Spirit contestants, who were courageous enough to dress in drag and perform their talents in front of the entire student body. After a week of events, Marcello Surjopolos was named Mr. Spirit 1986.

The contest between the guys wasn't the only thing happening. There days everyone dressed up, which added to the spirit. All of the activities led up to the finalé, homecoming 86.

Ticket to Paradise

After Spirit Week the night was here. Homecoming took place at Bolsa Grande Stadium on Friday, October 24, 1986.

At halftime the oasis and stands were put in place and the show began. Emcees were Daniele Petrick and Keri Campbell. Tahitian dancers performed making it a stunning halftime. The Homecoming court were driven in jeeps donated by Jeep/Renault dealer.

The 1986-87 Homecoming court consists of the Queen Marlene Moore, Senior Princesses — Kym Smith and Susan Armstrong, Junior Princess — Tina Dett, Sophomore Princess — Anita Rimero, and Freshman Princess — Elizabeth Armstrong.

Pacifica loss 15-21 to Esperanza. But the "A ticket to Paradise," proved to be a spectacular Homecoming.

Dances

Pacifica's dances are few but fun. Many students flocked to the Back to School and Homecoming dances. The dances were held in the quad where the night atmosphere blended in with the music. PHS students danced the night away until midnight when the dance ended. PHS dances was a time to go out and have lots of fun.

1. "Let's dance" 2. Marcello Surjopolos, Brian Merry, and Brent Brodowski prepare for the dance.

Halloween

October 31st is more commonly known as Halloween. Halloween means "hollow," meaning holy, and "e'en," which is short for evening. Halloween is thus the evening before Hallow's Day, sometimes called All Saints Day. Every year at PHS students and faculty celebrate Halloween by coming to school all dressed up in their scary, amusing, and unusual costumes. Lunchtime festivities such as bobbing for apples add to the fun of Halloween at PHS. Now here is a sample of what Halloween at PHS is like:

Working for the *Money*

The latest styles in clothing, car payments, gas for the car and "emergencies", (a.k.a. The party Friday night). These are some of the essentials in life. In order to pay for all of these things, you need money, and unless you have very generous parents, you need an after school job to get money. There are many different jobs to choose from, like working on the cash register, selling clothes, serving fast food, pumping gas, or babysitting. What is important about all of these jobs besides the money is they prepare you for your future. Jobs give you new responsibilities, new challenges, and even new friends. By maintaining this hectic schedule that includes homework, school activities, and afterschool jobs, you can deal with the life that awaits you after high school.

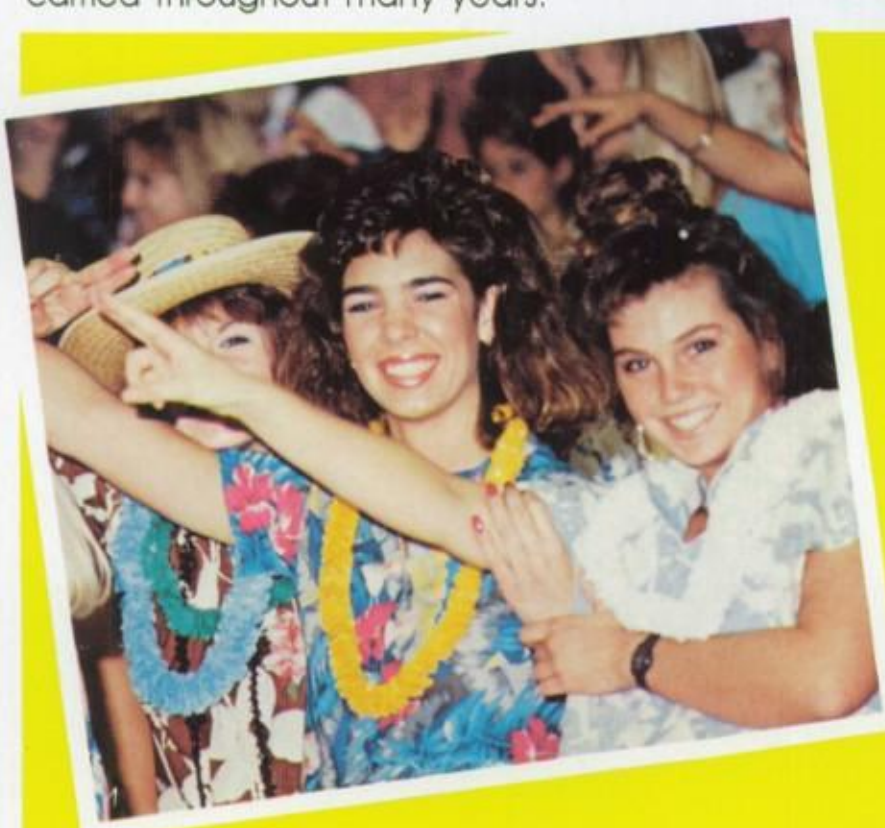
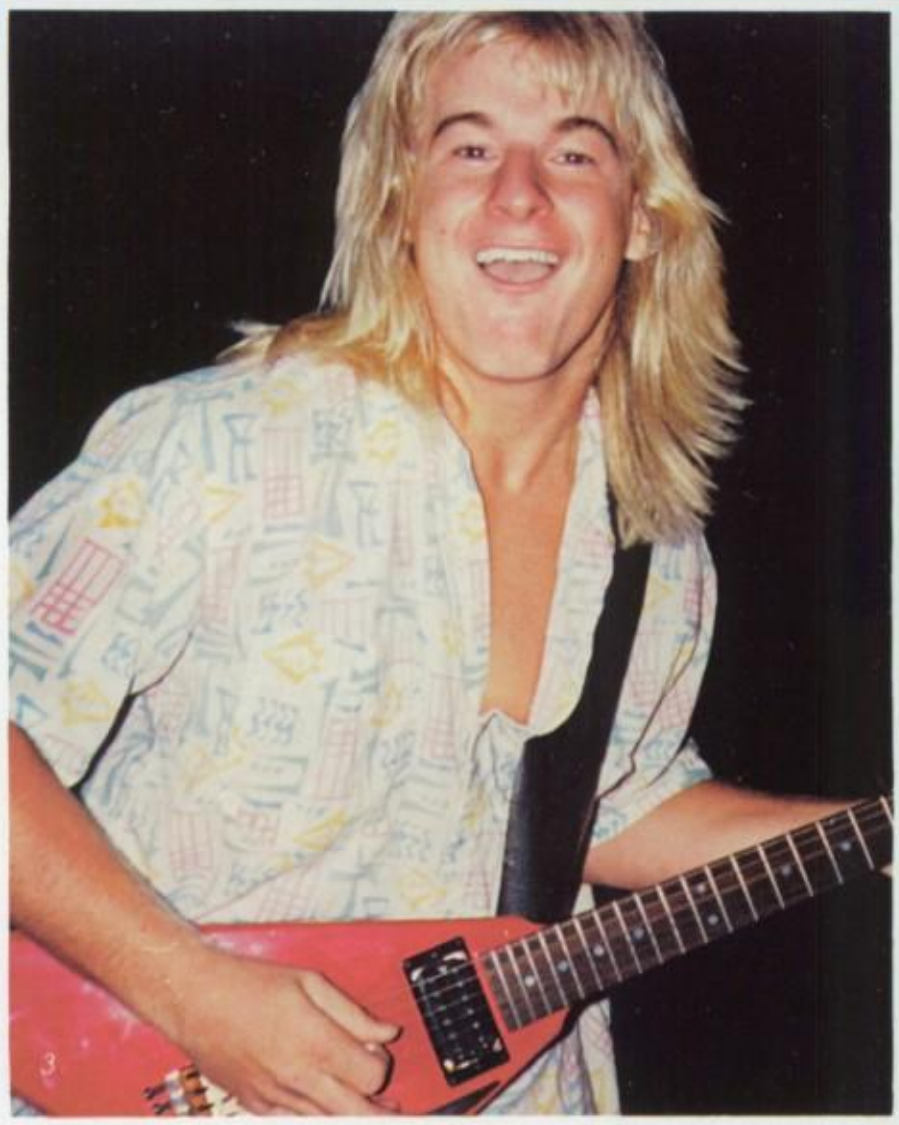
Show Your Spirit!

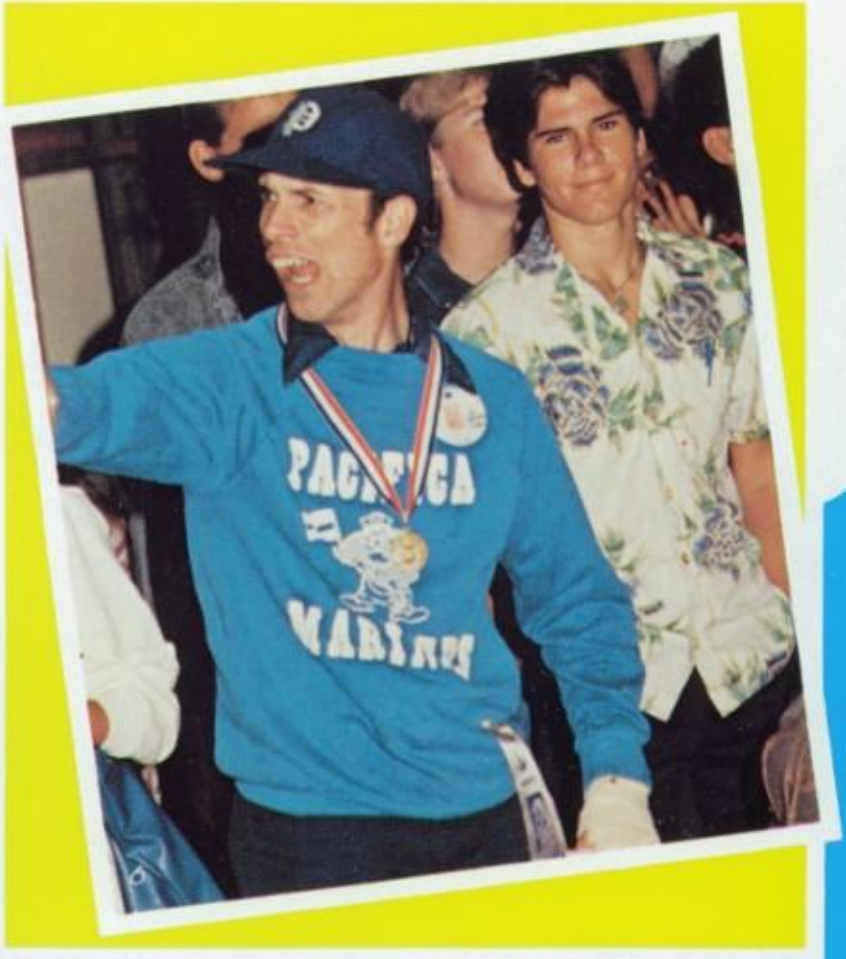
Mandatory pep assemblies was one of the innovative ideas brought to us by our new principal, Mr. Wise. Many were skeptical about this new idea at first, but it soon became clear that it was a much needed rule. The pep assemblies of the past were not nearly as spirited as a pep assembly should be. The first mandatory pep assembly met with great success. A funeral, complete with a coffin and mourners buried the dead Spirit of '86 forever. Jim Hawkins then bounded out with his electric guitar. The crowds went wild. Thus marking the birth of the new Spirit of '87. Efforts have been made to keep this innovative spirit alive by increasing the activities and audience participation and are proving to be fully successful. This is obvious by the tremendous reaction of the students. The band, the drill team, and the cheerleaders have also put a great deal of effort in making these pep assemblies quite a success. Being a Mariner is something the students here are, once again, taking pride in being. Let us hope that this is going to be a tradition that will be carried throughout many years.

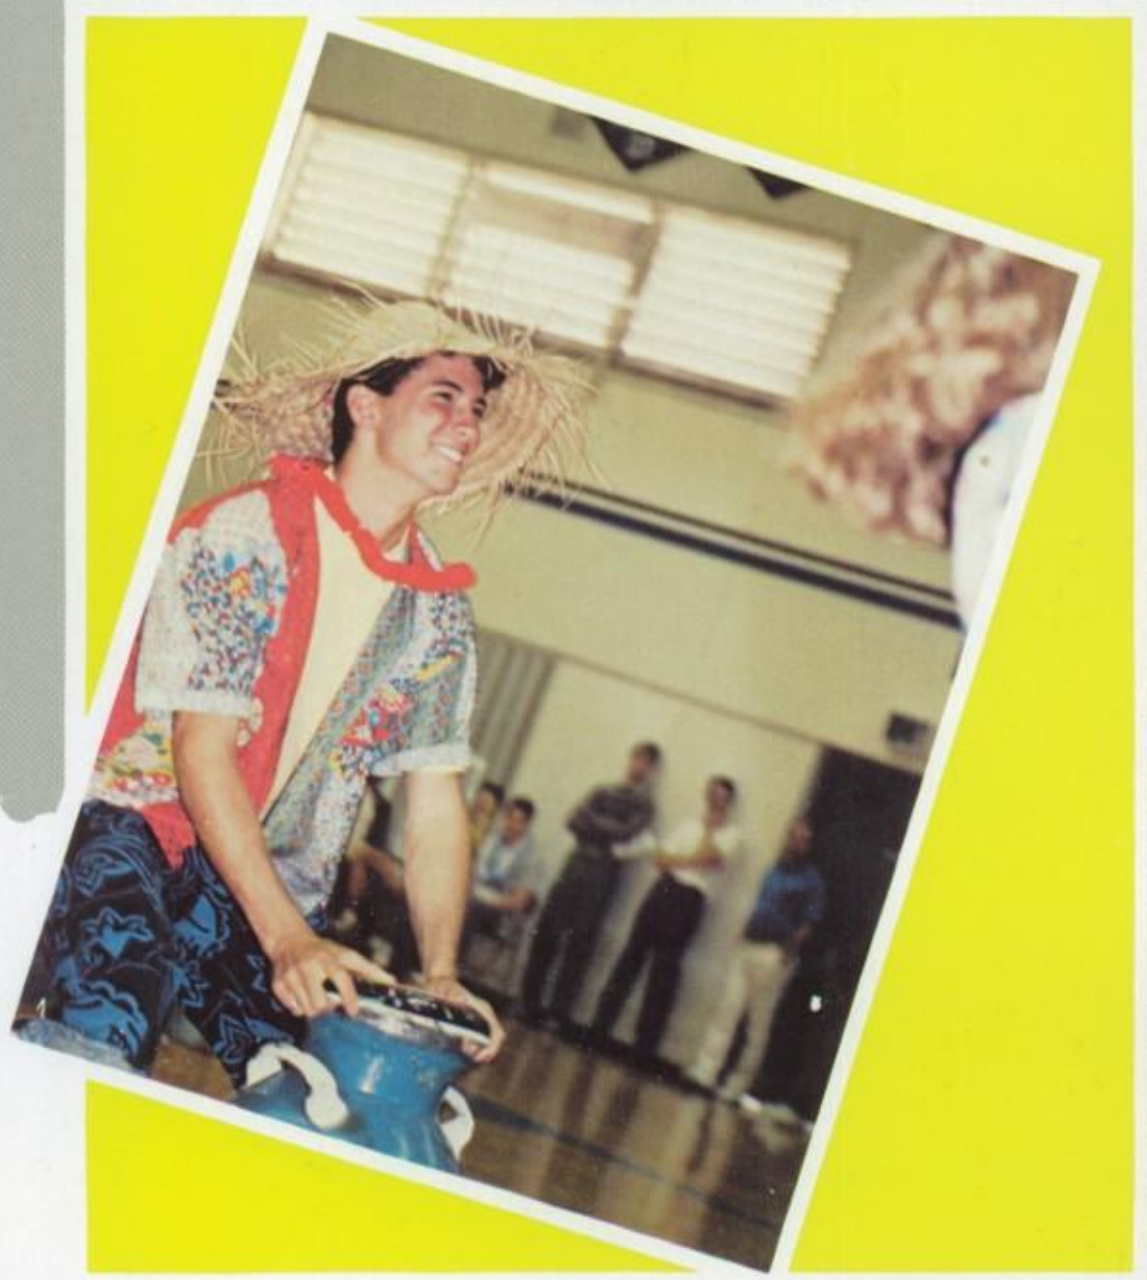


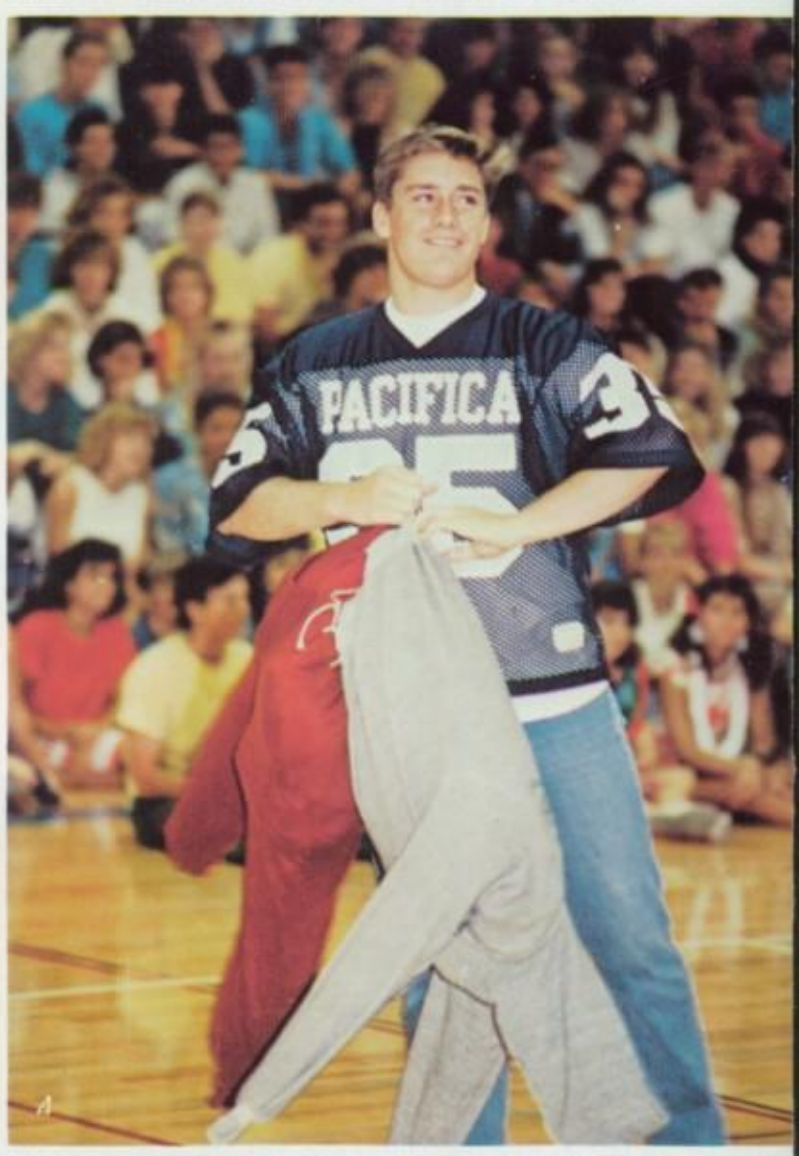


1. Seniors Erin Earl and Susan Armstrong love the new Pep Assemblies. 2. The Mariners mourn the passing of the spirit of '86. 3. Jim Hawkins demonstrates the New Spirit of '87.

4. Some spirited seniors have a blast at the first pep assembly of the year. 5. Are these two of the Mariner cheerleaders? No, it's Mr. Bertain and Mr. Malmquist who are arousing the spirit at this pep assembly! 6. No pep assembly would be complete without our number one fan, Peter Pacifica.







1. Mr. Spirit, Marcello Surjopolis bottles up the spirit for the game that night. 2. The Wild 'N' Crazy Seniors!. 3. Martha Mendoza wins the Altar Boys album when they played for the Mariners. 4. With a knowing glance at his fellow football players, Tom Hansen rips apart the Esperanza dummy.

5. The Juniors show they're getting ready to be Number One at Pacifica High School. 6. Michelle Collins and the sophomores show their exuberant spirit. 7. Shelly Clendenon and John Benthale do what seniors do best.

On the streets and everywhere
You're turning heads you've
Got the laissez faire.
You just smile and walk on through
You've got the personality babe
And it sure looks good on you.
Not the ordinary anything wear,
Looks good on you especially,
Nothin I can tell you,
You haven't already heard a half
million times,
You wear it well,
You wear it well.

There they go, they look so lovely too
But even so, they can't compete with
you.
You've got class you're
More than just a pretty face,
You've got that personality babe,
You've got exactly what it takes.
Not the ordinary anything
Wear looks good on you especially.
Nothing I can tell you,
You haven't heard a half million times,
But still I'd like to say,
YOU WEAR IT WELL,
YOU WEAR IT WELL.

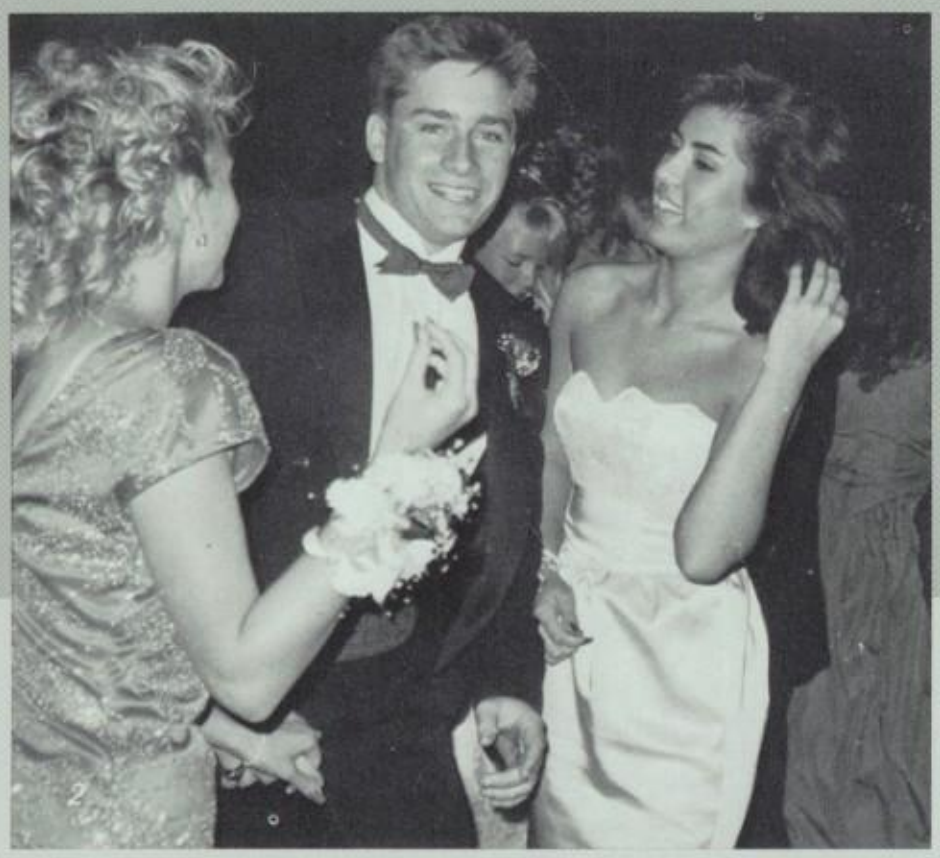
One Winter Night



On Saturday December 6, 1986, Pacifica High School proudly presented its winter formal, it started from 8:00 p.m. to 12:00 a.m. at the Plaza de Cafe, in Newport Beach. The theme for this year's winter formal was "One Winter Night". The music was provided by Fly by Night.

Picture frames were favors for this year's winter formal. The frames were from Awards West Souvenirs. Inscribed on the frames was "Pacifica High School Winter Formal".

The bids went on sale the middle week of November 1986 at the A.S.B. window. The price of the bids were $26.00 with an A.S.B. dot and $29.00 without an A.S.B. dot.

Organizer of the winter formal Raquel Zachman and the co-ed committee did a great job decorating the place with garlands and lights. Making this night "One Winter Night" to remember.

1) Jim Ustick, Scott Price, and Dawn Erb are fascinated by the decoration and lights.
2) Suzy Parker, Tom Hansen, and friend are in a state of shock.

5) Scott Schumacher and Sherry Chiapparine think it over should we go back out there.

'TIS the

Christmas is a time to share the joyous spirit with others. Students here at Pacifica demonstrated that not only by showing their individuality but by taking some time to give to those in need. Participation in the canned food drive was one example — a turn-out of nearly 7,000 cans by Pacifica alone! Toys to the handicapped children was another part of the contributions. Santa Claus Terlaak and ASB greeted the children with gifts and received warm smiles.

1. Ho, Ho, Ho Merry Christmas!
2. Sitting in Santa's lap is Julie Armour and Monica Giardin.

Pop Stars Who

Madonna was the media maven, but Aretha was the queen restored to glory. Barbra returned to very different roots and scored a smash hit with an LP of show tunes. Janet Jackson proved she's a lot more than what's-his-name's sister. Belinda Carlisle made the charts without the rest of the group, and Patti LaBelle showed that age only improves great music. The Bangles told us to walk like an Egyptian. Tina Turner still has more than good looks, and Cyndi Lauper bared her true colors. Whitney Houston covered all other areas.

Sheryl Peterson

1. The Bangles (who had more than one manic Monday).
2. The Go-Go who went solo.
3. Aretha who is the reigning queen on soul.
4. This year's media maven Madonna.

Rocked The 80's

Bruce Springsteen proved he was still the Boss with a sell out crowd. Bruce Willis moonlighted as a singer, and the Monkees showed what a comeback should be like. Wham! and Duran Duran split up, but double D came back together to form a trio. Inxs said to dance, while General Public said we had too much of nothing. The Smith's got a royal comeback with their new LP The Queen Is Dead, and U2 went out on a limb to do their new album The Joshua Tree. And all across the States people were told they had to fight for their right by a new heavy metal rap group called the Beastie Boys.

sweet HEARTS

So true
Funny how it seems
Always in time, but never in line for dreams
Head over heels, when toe to toe
This is the sound of my soul,

I bought a ticket to the world
But now I've come back again
Why do I find it hard to write the next line
When I want the truth to be said

I know this much is true
With a thrill in my head and a loose tongue
Dissolve the nerves that have just begun
Listening to Marvin all night long
This is the sound of my soul,

Always slipping from my hands
Sand's a time of its own
Take your seaside arms and write the next line
Oh I want the truth to be known

Front Row: David Macchiaverna, Danny Le-Quang, Shondi Figueroa, Heather Blake, Michelle Claphan, Ericka Loomis, James Stewart, Joanna Gleisten, and Lance McNew.

"The Crucible", a play based on historic fact, was put on by the Pacifica Cast. Due to the nature of the play, a lot of hard work, time, and effort had to be put in the play for it to be successful.

The play took place in the 17th century in Salem, Massachusetts. During the course of the play, the subject of witchcraft arises, and in time, many people begin to suspect friends, neighbors, and even relatives of practicing witchcraft.

The "Trials" as they were called, were seemingly one-sided since the outcome always ended up in favor of the accuser. When someone was accused of or suspected of practicing witchcraft, it was almost always a losing battle, for it was very difficult to prove your innocence.

If found guilty, the punishment was surely death by hanging.

All the actors and actresses worked very hard to bring 17th century Salem, to the stage in 1987.

A Fashion Statement

1. Sophomore Rose McDaniel, in style and fashion. 2. Colin Severn, Rose McDaniel, Andy Clark, Rhoda Spaberg, and Jamie Bates ready for the sun and the fun.

"You Wear it Well" was this year's theme for the Pacifica High School Marinette Drill Team's Fifth Annual Fashion Show. The show was proudly presented on Saturday, March 7, 1987, in Pacifica's gym.

The entire Drill Team modeled the latest fashions in sportswear, sunwear, careerwear, and formalwear. Preceding each category was a short dance routine. The clothes that were modeled were provided by Pacific Sunwear, Flo's Klothes, Bay Street, Saturday's, Wet Seal, Tamara's, Claudi's, Castle for Brides, and Allen's Tuxedos.

Special appearances were made by Pacifica male students, and by some Drill Team dads. The Pacifica Drill Team put a lot of effort to make this year's fashion show a success to be remembered.

1.Jonas Bearbower and Shawn Girard show off their sportswear to the tune of Run D.M.C. 2. Chris Cadacio and Sheri Johnson model coordinating careerwear. 3. Heather Danskin, Carrie Cather, Kelly Frandsen, and Gena Parker show their style during a routine for careerwear.

Foreign Faces

This year it was Pacifica's pleasure to have two exchange students. On the left is Janne Aaltonen who is from Turku located in the southern part of Finland. Some of Janne's hobbies include wind surfing and both water and snow skiing. He was also a member of the Pacifica tennis team. Janne's favorite movie this year was "Crocodile Dundee." This was Janne's first visit to the United States and he is enjoying it very much.

On the right is Martin Larmark who is from Landkrona in the southern part of Sweden. During the summer Martin and his family live on a small island called Ven. Some of his hobbies are sailing and mountain climbing. He was very active on the Pacifica soccer team and golf team. Martin was also a member of the ski club. Martin would like to thank all of his friends for being there to make his first visit to the United States as enjoyable as possible.

1) This year Pacifica had a few late comers, so we made a special effort to put them in the yearbook. Top Row: Mike Hume, Steve Gillion, and Greg White. Bottom Row: Katie Marcotie, and Missy Johnson.

Thoughts Of The Future

Sometime in the future
I'll look back upon our years,
I'll laugh for all good times
and I'll cry for all our tears.

Somewhere in the world,
where ever you may be,
I hope you'll do the very same
and think of you and me.

I'll only think of the good times,
for they're the ones that last.

In my mind all the bad times
are a forgotten part of the past.
My memories are mine forever,
yours are special too.

I just hope yours are as sweet
as mine, will be of you.

Memories

As my tears rolled down my face
I knew they would never be replaced.
I once felt my tear will soon
be gone, be gone —
But the memories will live on!

Life will go by fast
before you know it.
It will be the past.
There will be new flowers
and new trees
The song we sing will just be —
Memories . . .

Four Years Of School Pride

Looking back on days gone by,
we see, indeed, that time does fly.
Entering as kids, we knew little of life.
But leaving now, we know of joy and strife.
Together we endured the search of excellence.
But thanks to special people who helped us see it thru.
We have gained strength in character, maturity too.
Whether it's been growth in body, mind, or soul.
Each of us has a spot in the world, and each a goal.
And although we will pursue our separate ways,
This class of "87" will never forget these special days . . .

When I First Looked At You

I knew it was the start of something new.
I have a feeling this is meant to be.
And if we both take a chance, we can build a great romance.
With the love we can share,
we both can be a fantastic pair.
Cause when I first looked at you,
you took away all the blues.
The way we've felt for each other in the past,
I hope that's gonna always last.
And for as long as you need me.
With you is where I'm gonna be . . .

Unknown

Good Friendships Never Die . . .

I once had a dream of you and I. We were walking out under the deep blue sky. I knew that you loved me and that I loved you, but suddenly it ended and I was so blue.

But life would go on, and all that I knew time would pass slowly, and I would miss you . . .

Some time has passed now, but nothing's been said about the thoughts and decisions going on in your head.

Next things are changing for me and for you ideas have been spoken now we'll be a "two."

Things will be rough for us. That we both know, but hold onto my friendship. And never let go.

For — I'll think of you always and if we do part I'll remember you forever in the bottom of my heart.

ORGANIZATIONS

Who are these people? Why these are the "Leaders Behind The Seen" These are the students who organize the dances you attend, the newspaper you read, the yearbook that you'll keep, and even the mandatory pep assemblies. These are the organizers, the ones who do the dirty work and get little glory.

Spirit of PHS

It takes many hours and hard work for the Associated Student Body to come up with ideas to raise school spirit. To come up with these ideas it takes a group of very imaginative people. Students vote for students who they think would do a good job. The 1986-87 A.S.B. members for the school year were: President — Julie Armour, Vice-President — Vicki Viscardi, Secretary — Karen Keating, Asst. Secretary — Tina Dett, Treasurer — Skip Clay, Asst. Treasurer — Rose Ingram, Publicity — Kristin Gibbs, Asst. Publicity — John Benthale and Mary Armes, Activities — Trisha Brodt, Asst. Activities — Jamie Roberts, Assemblies — Dennis Crupi, Asst. Assemblies — Tony Kim, Girls' Athletics — Christy Brown, Boys' Athletics — Marcello Surjopolus, CASC/BRC — Michelle Clendenon, Student League — Raquel Zachman, Social Comm. — Tracy Hall, ICC/Fundraisers — Min Seung Kim, Homecoming — Marlene Moore, Asst. Homecoming — Daniele Petrick.

With this group of leaders spirit and school moral rose considerably higher than previous years. They provided pep assemblies to raise spirit for our football team, Ticket to Paradise for our Homecoming half-time show, Adopt a School, Spirit Week to make school more enjoyable and dances to see old friends and to make new friends.

Their goal, with the help of their advisor, Mr. Terlaak, was to make school a great place to be and to create excitement that would prevade throughout the school year.

The Makers

2

It was a new beginning for the yearbook and the yearbook staff. We have gone to a new company this year. So the yearbook staff had to learn different and new ways to make this yearbook more innovated and interesting. With the help of Chris Wozniak who had gone to yearbook camp in San Diego, we got through all right. And also the help from Mrs. Thompson and editor Judina Amaral. This year with the help from the photographers and ideas from the staff we made this yearbook better then ever.

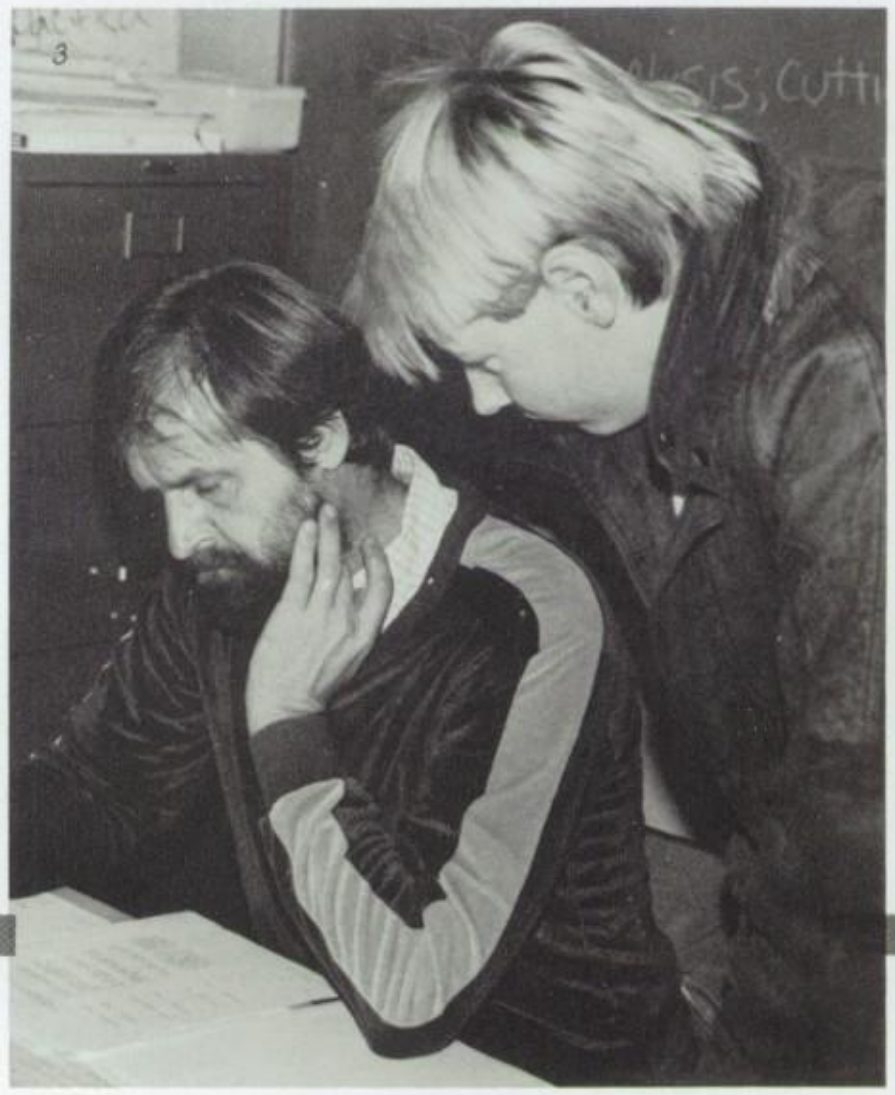
Publications

In the News



Journalism puts out four-or-eight page student written newspaper per month. Under the watchful eyes of Erin Whalen and Ann Garzon, the staff first must decide what they are going to write about, write it and rewrite sometimes several times. And that is just the beginning. Then the page editors Amy Burns, Michelle Jones, Kari Conrad, Mariza Helperin, Brendon Riley, and Traci Little take over. They write the headlines, and order the copy after designing the "look" of the page. They also ordinate the efforts of the photographers Jeff Gritchen and Charlie Gage to insure that they have the right pictures by their deadlines. Then assembling all of these puzzle pieces on the page takes the patience of a teacher, the eyes of an artist, the steady hands of a doctor.

Getting the Grade

The California Scholarship Federation, known on campus as CSF, is a state-wide organization dedicated to excellence in academics, leadership, and service. Each semester, membership is determined by qualifying grades and by application. "Scholarship for Service" is the CSF motto, fulfilled at Pacifica by the tutoring program where CSF members help others in all subjects, especially the "tough" ones. If you want to mix fun with learning, get involved with CSF and find out what pizza, Disneyland, computer contests, and candy have to do with good grades. Ask May Yuen about the pizza!

SPIRIT

SPIRIT! spirit! Spirit! Anyway you write it. It still means the same thing; School Pride and Honor. The students who were involved with SPIRIT at Pacifica never forgot those two words. Besides pride and honor they never forgot dedication. It didn't matter if it was raining, the cheerleaders, the drill team, the band and the colorguards were at every football game, cheering the team on. They wore their "Friday Outfits" with a chin up, even when we knew they were all freezing. They showed just as much dedication and worked just as hard as the athletes, and scholars. They showed us how great it is to be a mariner at Pacifica.

We've Got What it Takes!

To some people it may seem that being a cheerleader is "kick back". All you have to do is smile and jump around a bit, right? Wrong! A lot of hard work, time, and money are needed to make a good squad.

During the summer when most people are out at the beach soaking in some rays, the cheerleaders are already practicing for the year to come. Once school starts, they are kept busy with more practices, games, pep assemblies, and competitions. To make it worse, they put up with hoarse voices and sore muscles. Why would anyone want to do something like this? To keep the Mariner spirit high!

Aiming For The Top

Spirit, enthusiasm, determination, and hard work helped make the Pacifica junior varsity squad a winning team. These talented girls kept themselves very busy by going to all of the different functions to give their support. All year round they have had to make sacrifices in order to be at all of the games, meets, and cheerleading competitions. Pacifica is very proud of their junior varsity cheerleaders for their incredible spirit.

Mariner Pride At Its Best

Under the instruction of advisors Claudia Langner and Alicia Sickel, the 1986-1987 Pacifica Marinette Drill Team proved to be quite superior. Along with their excellent performances in competitions, they have performed field shows during the football season, and after about four months of grueling preparation, they will perform a showcase of their superior talent at the annual "Spring Show".

The Beat Goes On

The Pacifica Marching Band did exceptionally well this year, under the direction of Mr. VanPatten, Pacifica's newest addition to the music department. Along with Mike Post, this year's drum major, the band met every obstacle in their way and came out the winners. Congratulations to a talented group of musicians. The Pacifica Tall Flags marched proud and mighty through many competitions. Led by Denise Davis and Candyce Nowakowski, they did very well. This spirited group of girls really added to the ensemble of spirit groups on Pacifica's campus. This talented group of girls reestablished the tradition of excellence that Pacifica has always had.

SPORTS

SPORTS! SPORTS! SPORTS! From season to season P.H.S. participated and succeeded. They practiced and played, they tried their best. They showed teamwork and good sportsmanship. It didn't matter if it was football, soccer, or badminton, their school spirit and pride shined through.

We Proved

The Varsity team got off to a roaring start and then they lost a few heart breakers.

The Mariners weren't favored by the press. After last years team graduated 14 seniors. This meant less experienced players on the field. The press made it clear by their negative views. We proved them wrong.

Selected newcomers played a vital role this season. Those players were Brent Johnson, Ray Willis, Tim Rife, Ken Green, and Danny Blake.

So Close ...

Injuries, fumbles, and last minute mistakes plagued the sophomore team this season. Most of their games were closer still in striking distance going into the fourth quarter, but the freaky play in the last few seconds killed them.

The mariners who showed great abilities were Mike Dickerson, Dave Ascarate, Jeff Torrey, and Tim Berendes.

Stormy Clark and Shannon Drain led the offense with their passing. Vince St. Amand and Rick Yukihiro handled the running attack.

Frustrating Year

"It was a frustrating year," stated head coach of the freshman team. Coach McKinny. "With a few breaks we could of had a winning season. All of the boys who came out were dedicated and worked hard, but the little things hurt us all season."

Some of the players showed great ability through the year such players as Chris Shockley, Bobby Anderson, Brandon Martinez, Joe Espinoza, and Tony Nuzzo.

Chris Shockley was the spark of the freshman squad. Every game he had a run for a big gain or a touchdown. Bobby Anderson also did a good job for the mariners with his passing arm and kicking.

One Step Beyond

The 1986 Cross Country team was very small — comprised of only seventeen members. The season may have been a tough one, but they all followed through. Everyone at least improved on their personal records. With determination and hard work, they should contribute greatly to the '87 season.

The Boys' Varsity team consisted largely of returning runners. They were Dan Wong, Raymond Yen, Cecil Cesneros, David Page, Alex Levee and Roy Wilson. The Frosh-Soph team, led by Brett Clark, came in strong this year. Those who contributed were Eric Figler, Daniel Barber, Brad Tiner, and Steve Marshall. Good efforts were also displayed by the Girls' Varsity team. Led by Michele Jones were Theresa Sisneros, Shannon Coleman, Allene Kim, Jennifer Woods, and Elisa Pak.

There are only so many dedicated individuals who can endure the pain and agony of strenuous cross country running. This is where you'll find them.

AGGRESSIVE

It takes a lot of hard work to become a good athlete. In addition, to physical endurance and coordination, athletes must be dedicated. Water polo requires its players to have skill, strength and stamina. To acquire these abilities morning workouts are routine.

The team was coached by Mr. Hurst. Returning players helped the team were goalie Tom Hyham, Todd Hablitz, Geoff Sexton, David Ibara. The outlook for next year is better and exciting one.

KICKING OFF TO . . .

The cheering crowds and supportive people are very usual at a high school soccer game. Most fans lose their enthusiasm for athletics after the football season was over. On the some of the good days you can find a group of people to cheer the team on. The varsity team had a new leader in their mist, Coach Peterson. With his guidance they had a very promising season, with help from players Gilbert Cruz, Daniel Barbar, and Robert Petesch. These players and others made this year's team an exciting season.

ANOTHER WINNING SEASON

In Rain or sunshine you could always find the J.V. and Frosh/Soph teams practicing or just kicking the ball around. Through wins and defeats both teams showed their skill and ability to be outstanding for seasons to come. The J.V. team was graced with the experience of veteran players Chad Noyes and Trung Do. This years Frosh/Soph team consisted of boys who work hard and proved that they could be the best and continue to strive.

Kicking To Win

In the past, the girls soccer team has always been very strong and they start each season with plans to reach their main goal — to be the best in the league and to reach CIF playoffs, and the girls always put great effort into it under the direction of Coach Rob Weil, Jeff Regan, and Janet Fettig. This year's Varsity team captains were Rose Ingram, Shawna Dusserre, and Dana Schneider. Their enthusiastic spirits carry them way past the limits of the squads playing potential. They did the best job possible in getting those victories for the Mariners. Thanks girls.

Just For Kicks

Under the supervision of coaches Janet Fettig and Stacey Carson, the Junior Varsity did very well with some new players and the returning players from last year. The 1986-1987 J.V. captains were Tina Dett and Hilary Lies. Before the season even began, the girls were working on conditioning, shooting drills, and many offensive and defensive skills so they would be ready to take on their tough opponents. And once the season got underway, they continued to practice these skills and many more it takes to be a winning team.

1. Tina Dett dribbles the ball easily past her opponent.

TENNIS! TENNIS! TENNIS!

The 1986 Girls' Varsity tennis team came into the season with a good start. They won all pre-season matches and beat some of the toughest league rivals. Despite all their input, they came out a bit short. Fluctuations between J.V. and Varsity may have contributed to the slowed progress. That didn't hold the experienced players from showing their stuff though. Tina Dett, the number one singles player, came through for the team even after back injury. Christie Asari and Shannon Chambers, the number one doubles team, also provided a plus.

The J.V. tennis team gained a lot of experience by playing some very close matches. Stacy Kisni and Ellen Creighton were the two top singles players who performed well under pressure situations. Everyone improved and progressed throughout the season. These girls definitely show potential for brighter futures to come.

Pinning To Win

The Mariners had another outstanding wrestling season this past year. The 1986-87 team was led by Senior (captain) Steve Palczewski (HWT) and Sophomore Michael Dickerson (156 lbs.). Steve placed first in almost every tournament he has competed in this past season. Michael Dickerson has placed in every tournament he competed in. Other Mariner's having outstanding seasons on Varsity were Art Dickerson (147 lbs.), Tim Parrish (194 lbs.), Charlie Powers (134 lbs.), Alex Levee (114 lbs.), and Sophomores Shawn Bowyer (100 lbs.), and Pat Neri (108 lbs.).

The Frosh/Soph and J.V. teams also did very well this year. Junior Ken Newsted (156 lbs.), and Sophomores Jeff Torrey (167 lbs.) and Bill Bradley (167 lbs.) had an outstanding season. Congratulations to the entire wrestling team for their performances this year.

NEW COACH=NEW HORIZONS

The 1986-87 Varsity Basketball Team went through a lot of transition this year with the first year coach RHETT J. HECKEL. The teams goal this year was to play intense, intelligent, and competitive basketball for four quarters.

Some outstanding players for this years varsity team were RICK BRODT, ALAN BRUCE, BRIAN WHEATFILL, and MIKE SHORT. The emergence of sophomore guard DUSTIN BONHAM as one of the better guards in Orange has coach Heckel thinking about a bright future. With unity, pride and competitive nature that coach Heckel has brought with his teams the future does indeed look good.

JV TIPS OFF

This years Junior Varsity basketball team suffered some losses in the season. Even though many games were extremely close, some going into overtime, our JV team could not pull ahead. We rarely won a game, but the oppsoing teams had to work hard to win. Sophomore Bill Maurer and junior Rick Flores were major factors this season. The basketball players' families and fans showed much appreciated support. It was too bad our record ended the way it did, the JV team gave a tremendous effort.

LEARNING THE MEANING OF UNITY

"Winning isn't everything, it's how you play the game." With this in mind, the sophomore basketball team gave 110% effort throughout the season. Their record was quite impressive. These young stars played well all season long. They could score as well as any team in the league, but it was small stuff that hurt them. Their biggest setback was the last minutes of the game.

Among the team a few players were the sparks, as Todd Clendenon, Shannon Drain, and Bobby Murphy who led the team through the season. This is the meaning of a team sport, and although a few individuals may stand out, it's the unity that brings it all together. Every player agreed on one thing, the coach was a big factor in the season.

YOUNG STARS IN THE MAKING

The freshman started the season hoping for "great expectations." When the team first united, they didn't know how to play as a team. After their first three games they just hoped to survive the season. "They were just clumsy," stated Coach Burns.

As the season progressed they realized they needed to make drastic changes. The team finally united. They worked harder than ever. They developed some strong players like Mark Flatten, Randy Shultz, and James Rieder. The freshmen squad worked hard to become a powerhouse in the league. A few individuals made it possible so they could boost the rest of the squad.

TRYING SEASON

The 1986-87 Girls Varsity Basketball team had a very trying year. They had some near losses, but mostly near wins. "We're surviving," said coach Jones. Senior NINA ARRINGDALE, juniors CHRISTIE ASARI, and LIZ MANN, and sophomores JENNIE DITTO, CHRISTINE HOSMAN, LANI MATSUDA, and TERRI GOOLSBY were great assets to the team.

The 1986-87 Girls Junior Varsity Basketball team had a brand new coach and brand new year. The new coach, coach Jennex remarked, "They're a great bunch of girls." Some players had good defense, some had good offense, and some had both. These players are JUDY COLE, MARI ALVAREZ, TONYA WONG, JONI ROBINSON, JANE TJIA, SALLIE FUJIMOTO, and DENYCE TANIOKA. The all sophomore team had lots of enthusiasm. When asked, coach Jennex said, "we had fun".

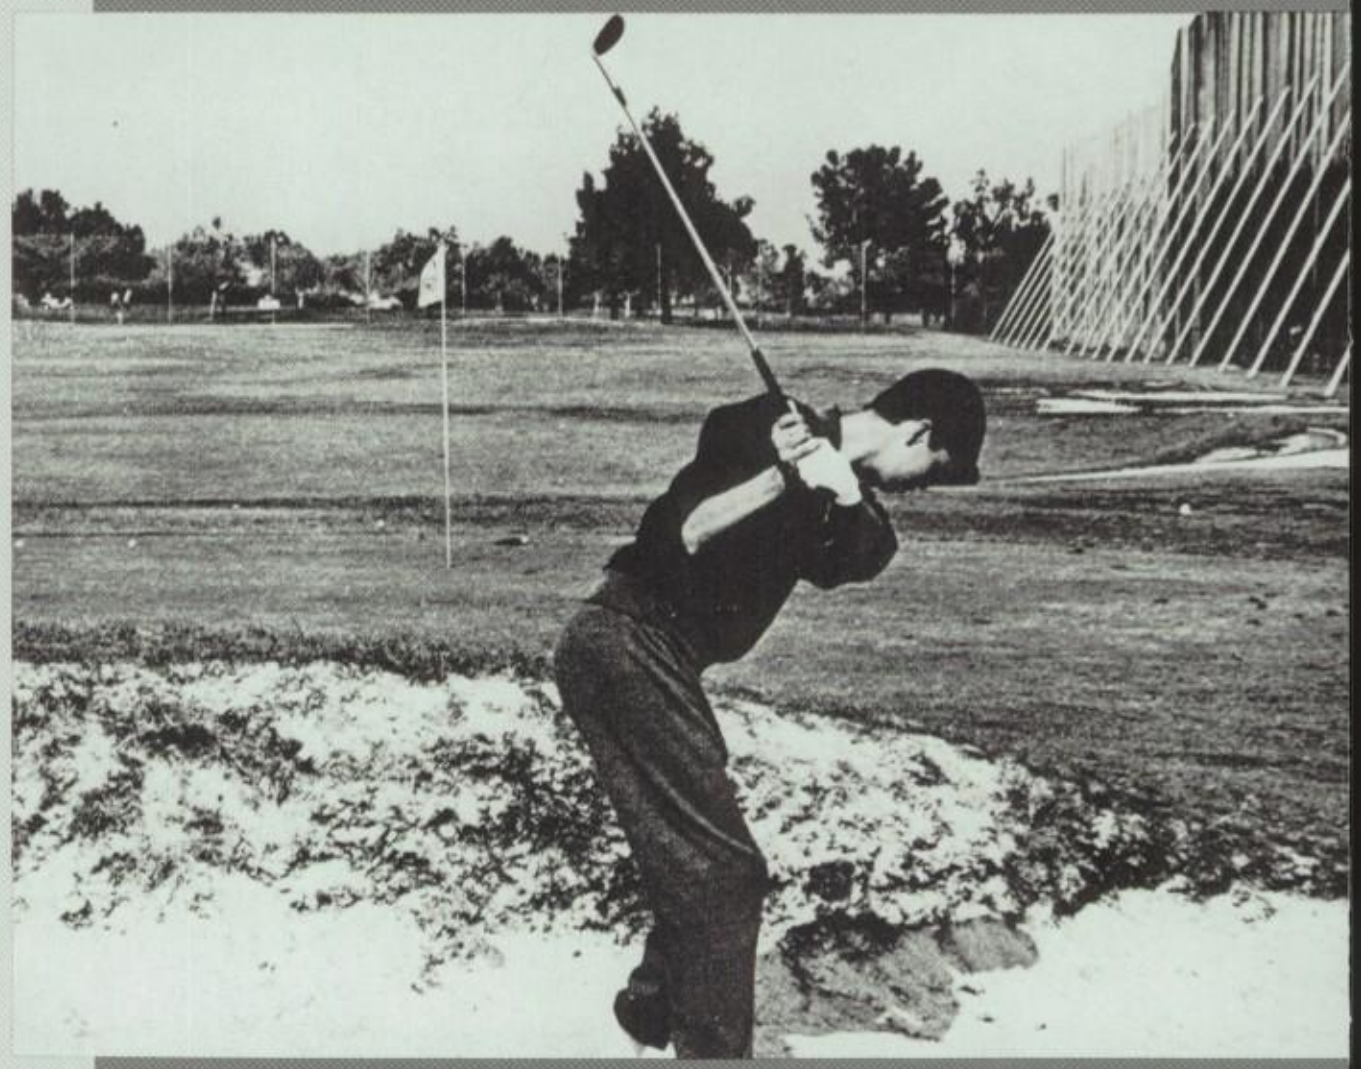
Getting In The



How such big boys and one girl could manage to get a little ball into a tiny hole was beyond many but the Pacifica High School Golf Team proved they could for their 87' season. Golf is a sport that requires great patience and lots of skill. The team did their practicing under the skillful eye of Coach Yoak at the Old Ranch Country Club. Even if the team is not widely publicize they still gave it their all.

The Pacifica Badminton returned this year with a great squad. Guided by Coach Brodrick the team played up to their potential and came out a winning team. Badminton may not draw the crowds that football does, but they still gave it their all. Both the girls and boys, who are on the team work together and came out winners.

Game, Set, and

This season was a fair one for the Mariners in boys' tennis. Some of the familiar sounds around the courts when the Mariners were in play were; Game, Set, and MATCH! To achieve this goal it took lots of time and effort on the behalf of the player.

Some of the key players for the Varsity team were: Trung Do, Moses Kim, Hsiang Hsueh, and Jeff Fassel. Also for the J.V. there was: Erik Berg, Martin Jarosz, and Eric Russell. Special thanks goes to the coaches.

ONE STEP

Ahead

The basic events of track and field evolved from man's prehistoric methods of survival. Because of his lack of weapons, primitive man had to rely on his speed and accuracy to defend himself. It wasn't until thousands of years later when the Greeks structured these skills into competitive events. Informal games, like those played in Athens, have been a part of many cultures. With increasing popularity in the last centuries the sport has been standardized and given rules for formal competition. Now Pacifica's athletes are keeping one step ahead with the outstanding performances by Rayford Willis, Bret Clark, and Charmagne Woods.

Batter Up!

The Girls Varsity Softball team got off to a tremendous start. In pre-season play, the girls placed second in the 5th Annual Cypress Tournament. They also won the League opener against Cypress High School. The team, mostly made up of seniors, was led by pitcher Christy Brown, who did an excellent job. The girls worked hard, and results were prosperous.

The JV team also had a very promising year. They showed much improvement through the season, through dedication and hard work. Their season started off well. When they rallied for third at the Canyon Tournament. Coach Gipson did a great job of preparing the team for varsity level softball.

MARINERS SLUG IT OUT!

The spirited Mariner Varsity baseball team of '87 has proven that dedication and determination makes a winning team. The new head coach, Kent Bothwell believes "practice makes perfect" and they practice many hours after school. With this attitude they planned to be number one. Mr. Bothwell stated, "Even though the Varsity Team consisted of many underclassmen, I expected there would be mistakes made in the beginning. Now looking back on the season, the team came through with flying colors." "Our team unity, spirit, and motivation will pull us through," said Eric Von Eps. This quote seemed to sum up the year for the varsity baseball team. Tom Hansen was a great hustler and a real asset to the team. Other veterans such as Rick Chase, Eric Von Eps, Mike Short, Rick Brodt, and Bobby Thome dedicated much time to the team.

IN FULL SWING

"Talent" — a word used to describe a team overflowing with it. A team, under the influence of Coach Abby, who gave 100% both on the field and during practice to become winners. The JV baseball team, made up of 16 boys, both sophomores and juniors, proved that this group of athletes gave their fans something to cheer about. Daniel Barber, playing his second year on the team, commented, "Our friendships on and off the field enable us to work well together and to concentrate on winning." Although this is only Mr. Abby's first year of coaching baseball at Pacifica, he is far from lacking experience or knowledge of the sport. Strategies learned and skills acquired from previous baseball coaching jobs and the opportunity to play on UC Santa Barbara baseball team precede him. Says Mr. Abby, "This team is willing to work hard, and if they play consistent baseball, they should take league."

FROSH/SOPH TRY HARDER

"They're a good group of kids and we're looking forward to a good year," commented Coach Gillim on his team composed of freshmen and sophomores. This baseball team is unique due to the fact that it is the first year for such a combination to make up a Frosh-Soph level. According to Coach D.V. Gillim, Jim Murphy's hitting and Dan Meador's pitching are two of the outstanding factors on the team. As will all spring sports has also been extremely hindered due to the unpredictable weather.

CLASSES

SENIORS! JUNior! SOphomores! freshman. They were all part of the bunch that made up the student body at Pacifica. Whether or not you were a big time SENIOR or a lowly freshman, you made the difference! You grew up and matured. By the end of the year the freshmen were not so bad and some of the air was deflated from the SENIORS swelled heads. The link was made. Four levels of ages were able to get along and work together as a team. Seniors found out that just because they were the eldest it didn't mean that they were the best. The freshmen got in the hang of things and realized that high school wasn't so bad after all.

SENIOR-ITIS

Senioritis, Once caught, is very difficult to get rid of. Many Seniors have it and can't kick the habit. They procrastinate or refuse all together to do school assignments. It is a part of every senior class and can not be cured by the faculty, only the students themselves. Grades may drop, and GPAs may go down, but year after year Senioritis persists at PHS as well as other schools. One can only say that Senioritis is a characteristic of the senior class.

JUNIORS

Mondays — everybody's favorite day. Who doesn't love waking up to the blaring sound of their alarm clock. First period seems to be a never ending treadmill. When 10:00 o'clock rolls around you begin feeling human again. Then out of nowhere a quiz slaps you in the face. When will this trauma end? Just when you think you're going to make it, you remember that assignment given on Friday at 2:32. I think many people would agree that Mondays always seem to be the hardest day of the week.

The Girl With PURPLE Hair

If you haven't noticed her by now you are most likely the only one. Lisa is a person, who is hard to forget, especially with her purple hair. When I asked Lisa why she dresses the way she does her answer was simple, "cause everyone looks the same and it's more fun to be different and I don't do it for the attention." Lisa believes in freedom to express yourself in every way. You can find Lisa on the weekends at her favorite night spots Jagg or Scream. Her favorite groups are just about anything to everything. The all time favorites are Bolshoi, Tones on Tale, Cocteau Twins, and This Mortal Coil. When asked what her life long fantasy was Lisa had all kinds of wonderful replies but only one we can print. "To be on a desert Island with Brant Graph." Even though her parents don't approve of her behavior and attitude they still love her. Good luck Lisa Kay Doerr.

Key Club

The purpose of the Key Club/International Club was to promote awareness of different cultures. Also bring international friendship and understanding within the community.

Some of this year's activities ranged from foreign films to different celebrations of foreign customs from around the world.

Shinji Yaguma was this year's president with Mr. Adams the faculty advisor.

Another active member of Key Club was Elizabeth Wollman. She worked hard within the group to help bring activities together. We all appreciated her dedication to this cause.

I wish you were here
To hear the rain, outside my window,
With me,
Because friends — ultimate bonds —
Are to share all importance,
Even the rain, trickling rain
All so inane —
To others
But not to you and me.

To appreciate the sound
Of its true meaning . . .
Listen . . . just listen . . .

And not for a split moment
Over—
Take it for granted.
But now the rain,
Pouring rain,
No longer outside the bedroom window
But transitionally outside my window,
just as well,

For you are leaving me soon . . .

And not for a split moment,
Ever!
Take it for granted.

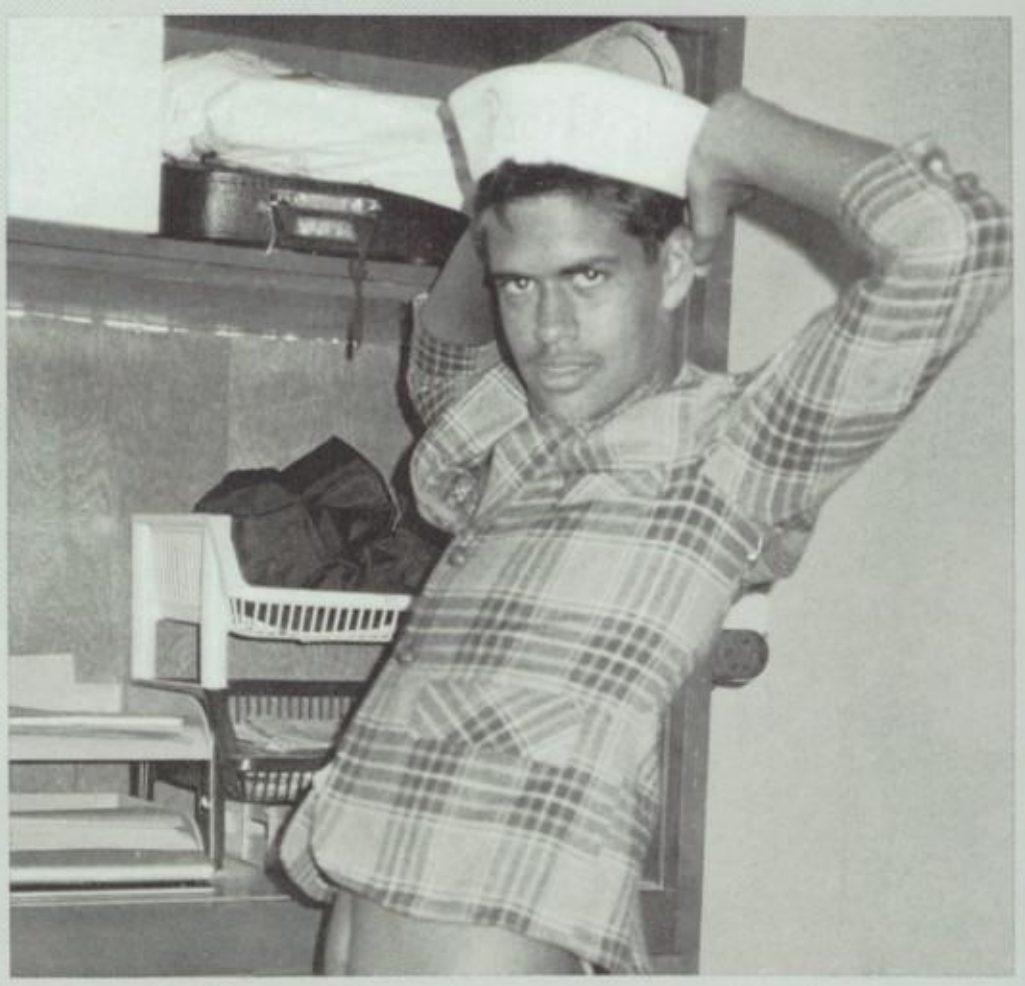
'One Wild and Crazy Guy'



In the immortal words of Steve Martin, "One Wild and Crazy Guy," can best describe, sophomore, Matt VanMatre.

Matt has been one of Pacifica's Most spirited people. He recalls, "During a freshman ball game I stood on the side lines and ripped off my shirt. Then I started to flex my "rather" buff body."

When asked what are some of his most important things he replied, "I'd have to say my friends, family, but most important is going to church and learning more about God and Jesus."

Speech and Debate

Speech and debate is a competition between individuals. It is filled with comradery and friendship among fellow competitors. At speech competitions the students have learned to speak with organization and intelligence, but most importantly they have remembered to have fun. This year the speech and debate team is lead by Ms. Doucette and a new group of competitors.

Tenth Grade Princess

Sophomore Anita Romeo was this year's Tenth grade princess. This was a great honor for her. She said that "It was really a lot of fun, except when I caught my gown on the jeep door.

Anita said her goals were to go to a 4 year college and one day teach ballet classes to children, also succeed in the field of physical therapy.

Anita really showed her Christmas spirit by Christmas caroling with some friends around her neighborhood in the middle of a . . . July night?

A competition of speed and academic knowledge of twenty areas, the team of ten practiced for approximately three months before the March event. Some of the team members were veterans from last year and everyone is optimistic about this year's chances.

The team was selected by a competitive examination and again was split into two levels: frosh-soph and junior-senior. The teams competed against fifty Orange County high schools by taking tests on various subjects such as social science, literature, geography, and math. The students involved attained enrichment in all academic areas, as well as many disciplines not covered in the high school curriculum. In addition, the students also learned pride and self-confidence.

FRESHMEN!

Green eyed Elizabeth Armstrong was born October 21, 1972, and has lived in Cypress all of her fourteen years. She is the youngest of two girls. Elizabeth is an outgoing Freshman. She was selected as the 1986 Freshman Homecoming Princess. She was also the Freshman Commissioner of Publicity and she was a member of the Freshman cheerleading squad. Elizabeth spends some of her spare time taking dance lessons at the Dance Factory. Her lessons include: Tap, Jazz, and Ballet. Elizabeth has danced in Las Vegas in a competition put on by Victor Dru. Elizabeth's favorite Holiday is Christmas and she likes the color yellow best. Her lucky number is 7 and she enjoys watching Family Ties.

Phong Dao was born in Saigon, Vietnam, on November 5, 1972. He escaped to America when he was only seven years old. He spent his first twelve hours in Hawaii, then he was flown to Oklahoma where he lived for half a year. Finally Phong and his family were transferred to California. Phong is an excellent student. When Phong was in third grade he won a spelling bee after only speaking English for a year. Phong has also won many other awards, for instance, in seventh grade he won third place in the Orange County Pen and Quill writing contest. In eighth grade received an award for straight A's throughout seventh and eighth grade. Phong is only in ninth grade and he is in Algebra 2/Trig. Besides being able to speak Vietnamese and English Phong is learning Spanish. When we asked Phong if he would return to Vietnam he replied, "If my country is liberated, I would return."

TERI JO

Theresa Jo Curtis, known to her friends as Teri Jo, was born on July 15, 1972, in San Pedro, California. Her hobbies are playing soccer and softball. She was on Pacifica's J.V. soccer team. She went to Hawaii and Germany with an AYSO select team. She is probably going to Australia with the select soccer team, also. When Teri is not playing softball or soccer, she spends time with her friends. Teri's favorite colors are black, white, and grey. When Teri graduates she would like to go to Harvard University in Boston, Massachusettes. At Harvard she would like to work for a degree in psychology or therapy for children. Teri likes all music groups, especially the Cure. Her favorite number is 4. Teri's dream is to go to Europe, tour the sights, and visit her friends there. "I would also like to be an exchange student in Europe!!" she said energetically. Teri has a warm personality and gets along with everyone.

Experience

Faculty

Young? Old? Experienced? Novice? Tall? Short? Yup! P.H.S. has it all on staff, Faculty staff that is.

Whether it's the "YOUNG" newcomers like Mr. Adams and Mr. "boom-boom" Bertain, who both have been working at Pacifica for only one year, or the more experienced and older teachers like Mr. Broderick, who has been there since the school opened. They all have one thing in common — the desire to teach young adults the knowledge that they'll need to accomplish their many goals.

"NATIVE"

Mr. Bothwell is the newest teacher on campus. His life has mostly been spent in California.

In 1969, he graduated from here, Pacifica High School. He went to Golden West College and went to the University of South Dakota.

Mr. Bothwell likes to play racketball and likes to bicycle. He loves to watch sports too. He's visited most of the United States. Mr. Bothwell was drafted on the Cincinnati Red Sox, but he got injured in one of the practices so he was unable to finish the season.

I was able to ask him what he thought about the new principal. He said, "The new principal is positive. It's a breath of fresh air." When also asked what it was like to be a new teacher, he replied, "It's hard to memorize names."

Mr. Bothwell says he would really like to be successful in life one day.

Above "Par"

Rhett James Heckel, also known as "Coach," is a teacher here at Pacifica High. He teaches General Science in Rm. C-. He also coaches the boys basketball team.

Mr. Heckel went to Millikin High School, in Long Beach, and graduated in 1976. He holds both a Bachelor of Arts and a Masters degree.

On May 12, 1984, Mr. Heckel was married to Jean, the woman he loves very much. They have a baby girl named Courtney who is eight months old.

One of his most embarrassing moments was when he fell down, face first, in front of his class. "It was bad enough to fall," he says, "but to top it off the desk fell over on me!"

One of Mr. Heckel's favorite hobbies is golfing. He says he would like to own his own golf course or like he puts it "Buy some land and grow some grass." Since he is still pretty young, he won't be retiring for a while. When he does he said, "I will golf forever."

Sound of Music

Band director Brad Van Patten teaches the marching and the jazz band here at Pacifica High School.

Brad is twenty-six years old, and you'll probably find him in the music room most of the day. At eighteen years of age, Brad graduated from El Toro High School in 1978.

Racketball, softball, baseball and volleyball are among the many sports he enjoys, sailboating being his favorite! "When or if I get the chance, I want to go to Australia to see or even compete for the World's Cup sailboating races." Depeche Mode is his favorite music and the trombone being his favorite instrument.

Brad has some plans for the future. "I would like to get my Masters degree in Music and to get married." He also, like he said, wants to go to Australia.

The New Boss

Donald Stuart Wise isn't what you would call an average kind of guy. He graduated in 1961 at UC-Santa Barbara. When he graduated he earned a Bachelors degree in Physical Education, Administrative degree and a General Secondary.

At age 47, he is still a teenager. His favorite movie is "Risky Business" and his favorite song is "Twist and Shout." He likes all outdoor activities and to be around kids. He is always in the school spirit.

Mr. Wise is happily married and has been for 23 years. His family includes his wife Nancy, his two daughters Stacy and Stephine, two cats, a turtle and a dog named "Taffe."

When asked what he thought about retirement, he replied, "I don't worry about my future. I just want to take life day by day, step by step. Anyways at my age I don't need to worry about retirement."

During his early years, while attending Santa Barbara, Don's roommate was very hairy on his back and chest. So the guy used to take the hair off with Nair Hair Remover. Don decided to try and shave with Nair. By the time he was ready to pitch at his baseball game, his cheeks were very red and swollen. Don had to tell his baseball team and coach what he did. He says he still has some old baseball friends teasing him about that day.

When asked where in the future he would like to go he replied, "I would like to see how my children are doing on raising their children. Otherwise, I just want to keep on living life the way it is."

Closing

Everything must some day come to an end. As this year closes, hopefully everyone has grown a little wiser and has matured some. Let's take one last look at this years past happenings and remember the good ol' times!!

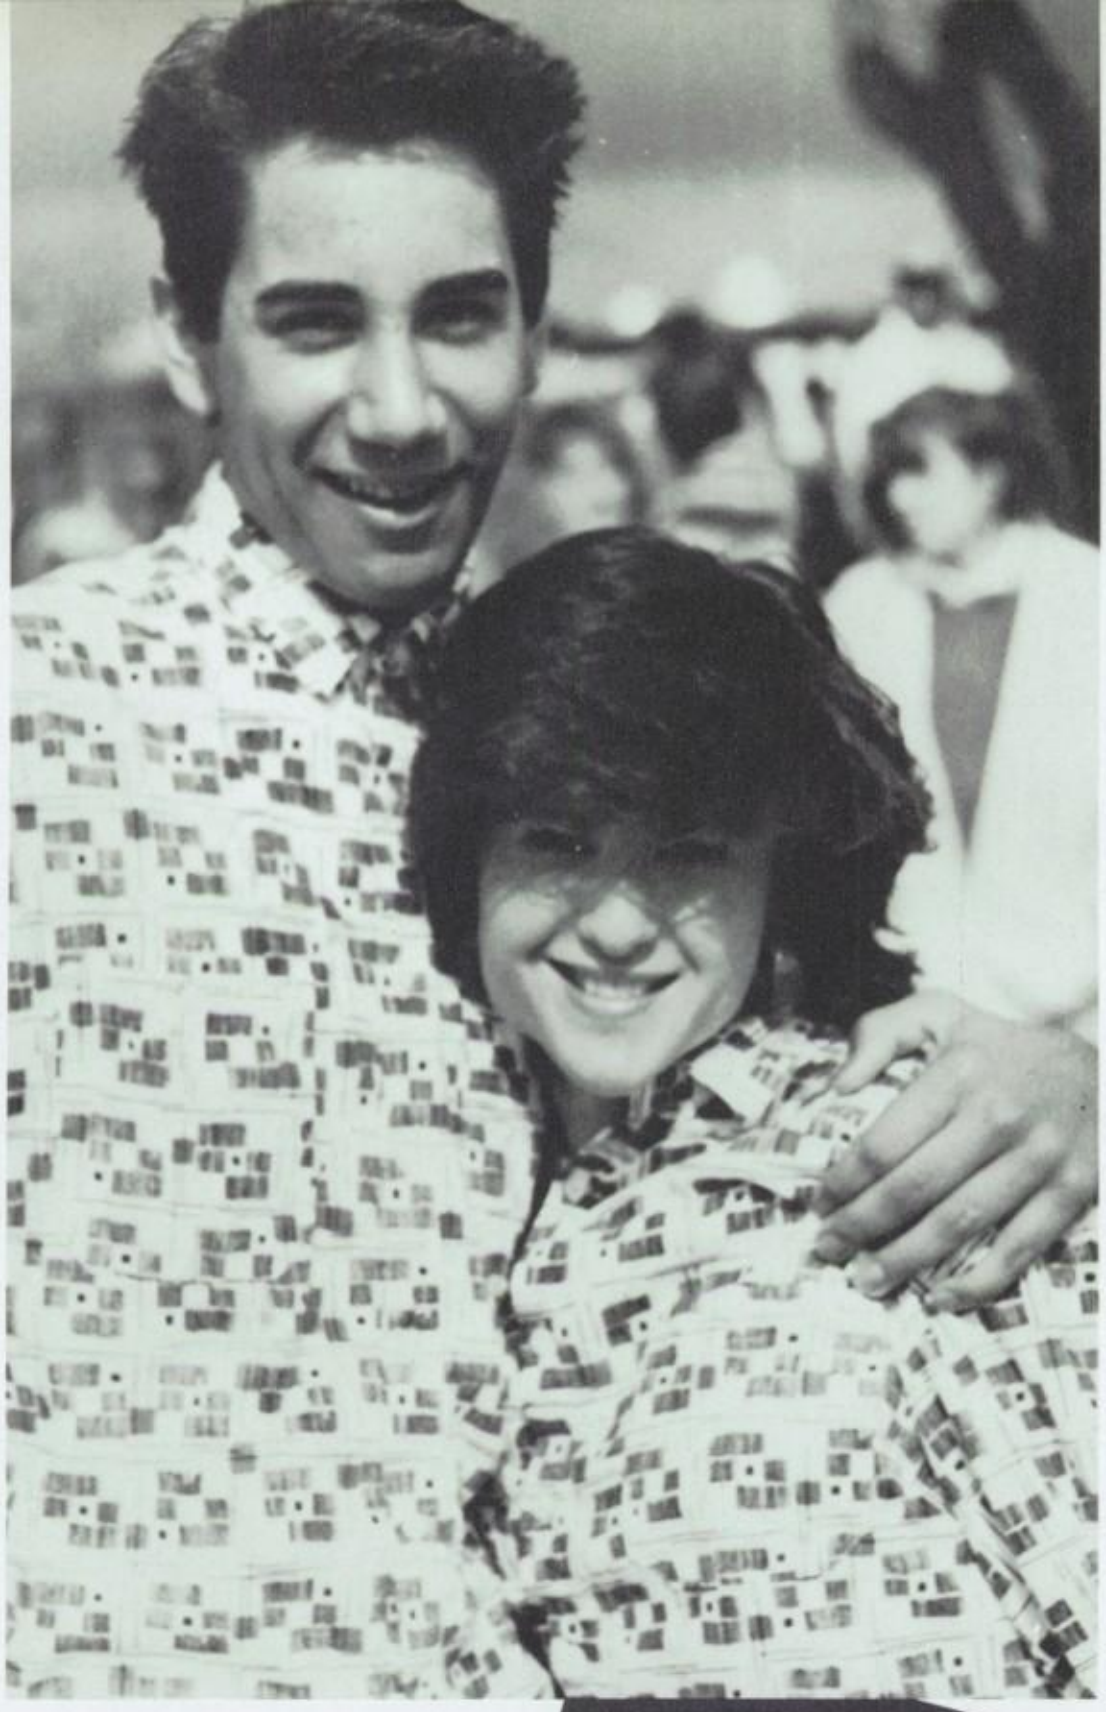
1. The roar of the crowd
2. Watching a lunchtime event.
3 Dean and Judy hat companions.

INNOVATED

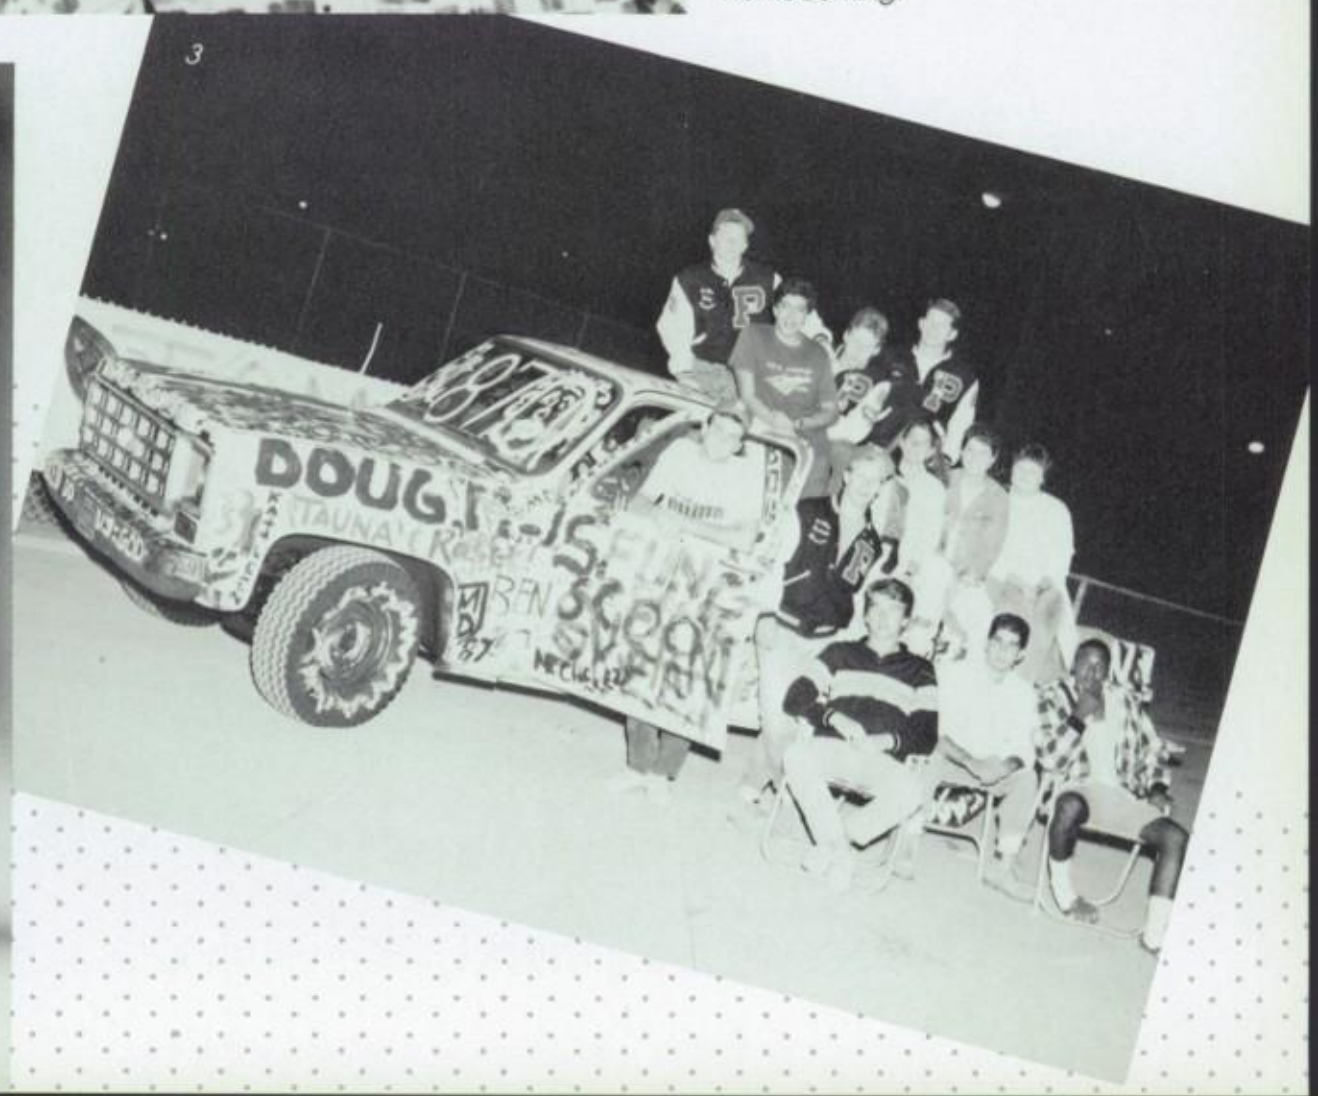
EVENTS

EVENTS!! EVENTS!! Still more EVENTS! This was a full and exciting year filled with them! The Battle of the Bands came and brought in hidden talent. Students participated in a Canned Food Drive which turned out to be a great success. This also earned them a shortened day in which they got to see the movie "Stand By Me." The 3rd Annual Mr. Spirit Contest was held. Plus the girls Varsity Soccer team made a valiant effort to keep their 7 year winning streak.

1. Suzy Parker, Michelle Clode, and Rose Ingram led an exciting season on the Girls Varsity Team.
2. Marcella Surjopolus, Jon Beckett, and Rod McClelland during Girl's Dress-Up Day.



1. Joanna Delude and her matching mate!
2. Tina Dett became the new A.S.B. president as well as the Jr. Class Princess.
3. Seniors kept tradition and decorated the official "Senior Car" for Homecoming.

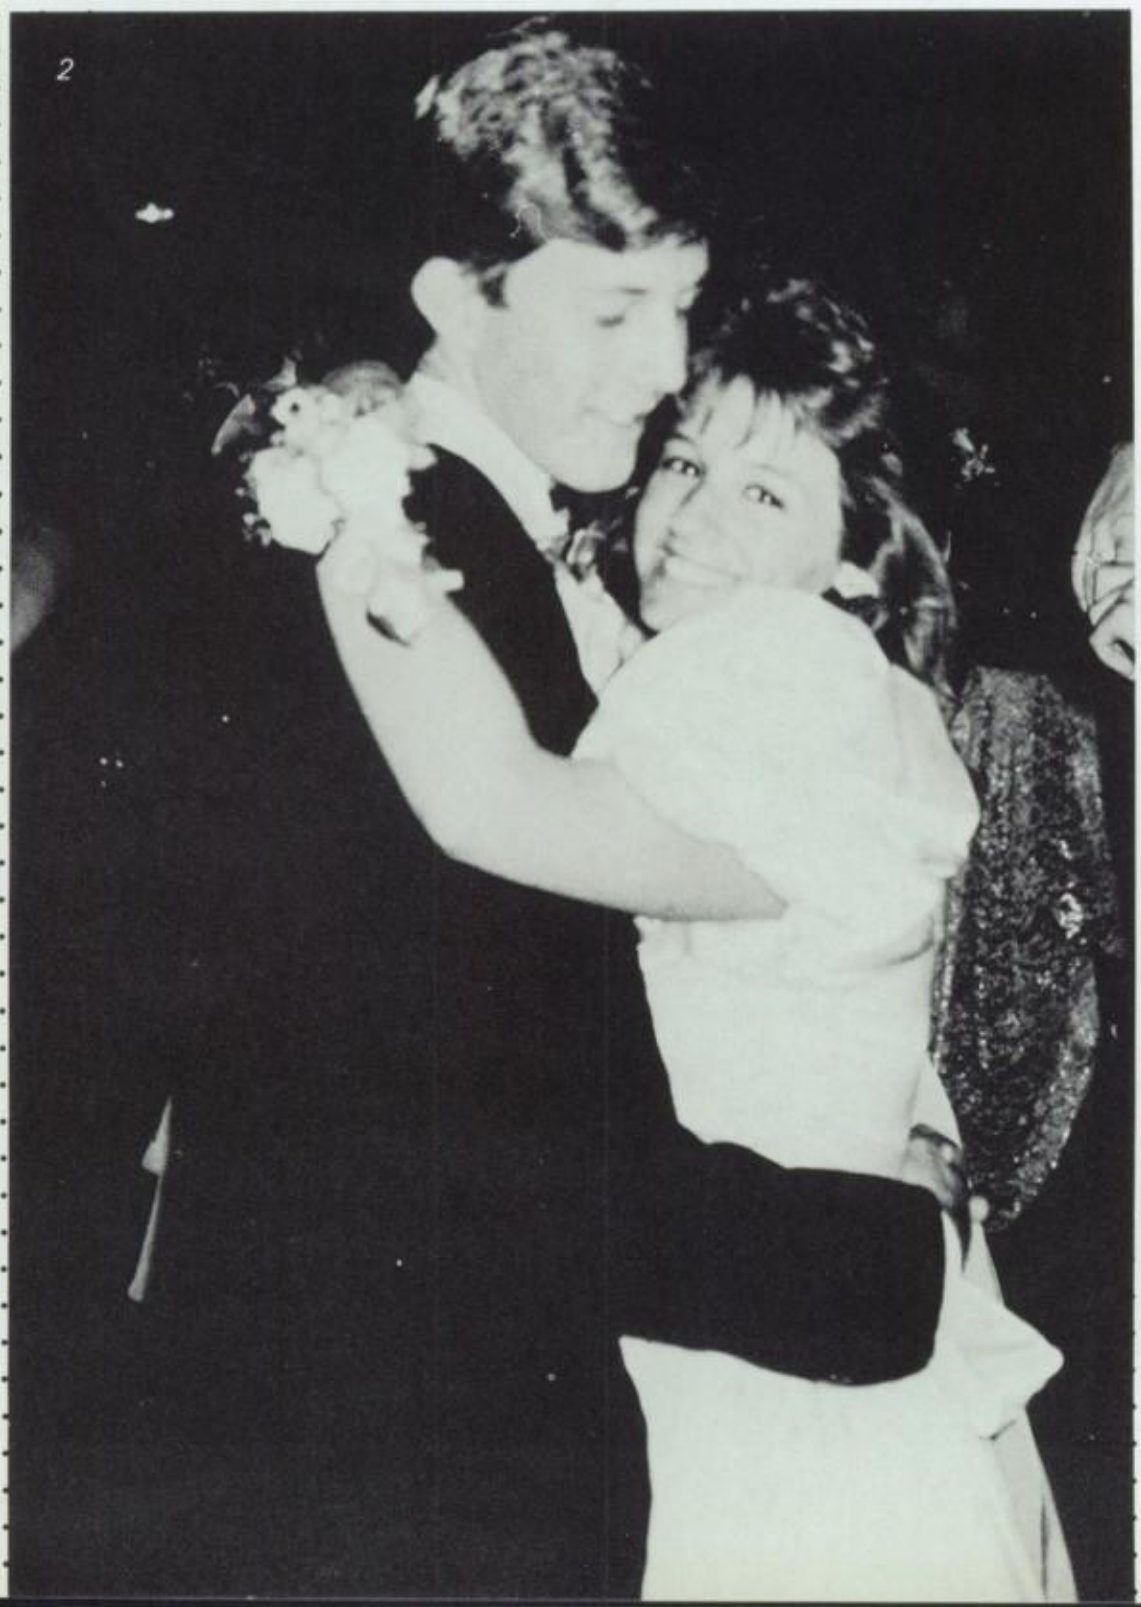


INNOVATED ENDINGS

As the year drew to a close, many felt that the year had been a fulfilling and enriching one. Julie Armour led the Student Body through the end of '86 and the beginning of '87. Fulfilling her duty as A.S.B. president. Marlene Moore became Homecoming princess. Marcello Surjopolus not only took the title of Mr. Spirit but also CoEd King. Erin Whalen and Judina Amaral managed to meet all their deadlines in Journalism and Publications to turn out a successful newspaper and yearbook.

The new innovated yearbook staff on a deadline.

2. Marlene Moore and all her escorts.



1. Jina Nakamura and Alice Abramson working on a new idea. idea.
2. Enjoying a dance at the CoEd are David Page and Brenda Patton.
3. Lisa Gillete came as a "DARING" pirate lady on Halloween dress-up.

V.P. Well and it will be fun but it certainly aint REAL

FUN. Ciao
BJ

MR. V.P.
well, 1 year is over now. I'm glad you were our banddirector. You gave us a lot of challenge. I had so much fun. I hope I'll see you next year. Have a great summer!
Shinobu.

Mr. V.P. I want to thank you for a great year. You brought this whole group up to a respectable level

Be respected. Thanks for the great laughs & have a wonderfully, terrific Summer! See ya lata'.
love,
may '89

Maddog,
hope your summer's going to be as good as mine will. I'm going to Hawaii. It's been a great year I'll say. Well, now it's time for an adventure so

turn to pg. 91

Mr VP
Have a great summer
see you at the Varsity
games

Thanks for the
